City Council Agenda Summary

Agenda Number: _____
Department: Parks and Recreation
Date: October 7, 2024

Agenda Item: Receipt Of Bids For Green 4 Field Fencing.

Summary: In July, the City and MACC executed an agreement for Green 4 field improvements – demolishing and replacing most of the fence line to construct permanent fencing at approximately 200’ depth whereas the current depth is approximately 300’. This does not negatively affect MPRD options, but significantly enhances the field for MACC as their temporarily fencing at approximately 200’ does not look for function well and is susceptible to the wind.

We advertised for bids and reached out to a couple reputable local fencing contractors additionally. One bid was received and is attached. The bid comes in under budget as \$30,000 was budgeted for this expense. MACC will reimburse this expense upon completion per the written agreement executed in July.
