

# City of Moberly

## City Council Agenda Summary

Agenda Number: \_\_\_\_\_

Department: Finance

Date: October 7, 2024

**Agenda Item:** A Resolution Accepting The Proposal And Authorizing The Purchase Of Five Color Copiers And A Sixty Month Maintenance Agreement From Gibbs Technology Company D/B/A GFI Digital.

**Summary:** The City currently has 3 color copy machines that are nearing the end of useful service life. While they do have some life left, we don't want to wait until they have become a constant maintenance problem. In mid-August Finance posted a Request For Proposals (RFP) for 5 new color copiers, 3 to replace existing units in the City Manager's office, the Water Office, and the Parks & Recreation office, plus two smaller units in the Personnel office and Fire Station #1. Bids were solicited from 3 vendors and advertised in the Moberly Monitor-Index, with 2 proposals received. Attached are copies of the RFP and a tabulation of the bids.

3 options were solicited: 36-month lease, 60-month lease, and cash purchase. After evaluating the bids, staff recommends the cash purchase option of 5 machines from GFI Digital for \$18,964.89. The Finance Director will be in attendance to discuss the bid evaluation process.

Although prior staff indicated that funds would be budgeted in the affected departments for this transaction, nothing can be found in the budget documents to cover this purchase outside of Parks & Recreation. The General Fund is capable of absorbing the \$10,500 applicable to it, and Public Utilities can absorb the \$4,000 for its copier. Maintenance costs have been ongoing for several years so there are funds already built into the budget for this.
