

City of Moberly - Bid Tabulation - City Hall HVAC Piping Flushing

BIDS RECEIVED			
Bidder	Base Bid	Alternate Bid	Comments
Durbin Enterprises, Inc. - Beecher City, IL	\$ 3,750.00		Base bid: Labor, equipment, & materials to clean, flush, and refill geothermal system piping with water and F1 fernox inhibitor (prevents corrosion and limescale formation in system piping).
		\$ 3,300.00	Alternate bid: If base bid services do not sufficiently clean the piping, chemical cleaner will be added, circulated through the system for several days, and system flushed again. This is cost in addition to the base bid.
Durbin Enterprises Grand Total	\$	7,050.00	
Flynn Drilling Company - Troy, MO	\$ 8,250.00		Base bid: Labor, equipment, & materials to clean, flush, and refill geothermal system piping with water only.
		\$ 5,510.00	Alternate bid: Add 20% glycol mixture. This is cost in addition to the base bid. Adds protection against freezing and corrosion.
Flynn Drilling Company Grand Total	\$	13,760.00
