City Council Agenda Summary

Agenda Number: _____
Department: Police
Date: June 19, 2023

Agenda Item: Resolution approving purchase ECATS MIS and Text to 911 reporting programs and software.

Summary: When the new Zetron 911 computers were purchased and installed from A&W Communications, we lost access to a large portion of our 911 call data and reports. A&W was asked where we could find these reports, and learned they were not available on the system we purchased. We would need to purchase Zetron MAX MIS to obtain the reports we wanted. They provided a bid for those, but it appears what they have available is not what we want, the ability to know from where 911 calls, both in-line and cellular originate from, and who those calls are transferred to, both 911 and administrative transfers. Our consultant Stacen Gross located ECATS, which is able to deliver all the 911 reports we want plus many more. ECATS goes well beyond the capabilities of Zetron and based on our current experience with Zetron and A&W Communications, we are not interested in utilizing a system they rarely propose for sale and seem to know very little about it. Below is the cost for each over three years.

	Zetron MAX MIS	ECATS MIS & Text
Year 1	\$12,910.00	\$10,855.20
Year 2	\$0	\$4,555.20
Year 3	\$0	\$4,555.20
Total Cost	\$12,910.00	\$19,965.60
