DESCRIBE THE VARIANCE REQUEST, REASON FOR REQUEST, AND ANY SUPPORTING INFORMATION

We are requesting a variance for the 4 onsite parking spaces required for office space use. The existing building will be used as a small satellite office for an engineering firm. There will only be 1-2 employees in the space and they can use the existing 14' driveway to park. The existing driveway is also deep enough to allow a potential client to park behind the two employees.

HAS ANY VARIANCE BEEN APPLIED FOR ON THIS PROPERTY PREVIOUSLY?
