NEW BUSINESS

1. Discuss recommendation concerning speed bumps on Crain Street

Larry Bennett stated that he has looked at prices on Amazon for the speed bumps and we would need five sets. Mayor Garcia stated that it is not the money issue. It is setting a precedent and you will have others wanting these on their roads. Another concern would be during the winter months, this road would not be able to be scraped because of the speed bumps. It was recommended to make Crain Street a one-way street north bound from Jackson Street to Farley Avenue and enforce the 15 mph speed limit.

Motion made by Bennett.
