2. Discuss speeding concern on Crain Street

Larry Bennett stated that we have changed the speed limit on Crain to 15 mph. He stated that he is going to recommend that we enforce the speed limit and not to have too much mercy on anyone going too much over the speed limit. He stated that he would not recommend putting speed bumps. He stated that we thought about making this a one-way street on Crain or possibly even widening the street. Brian Williams addressed the committee over the speeding issues. He asked if we could at least install two speed bumps by the hill? It was even recommended to install a caution light up that would turn on when someone pulls up that it would blink. Mayor Garcia stated that we would have to look into this and get the costs.

Motion made by Whitaker.
