Single family residential customers which obtain sewage treatment from the Monterey Waterworks System, but obtain water, either in part or in whole, from a source other than the Monterey Waterworks System, will be billed for sewage treatment based on the same rates as residential customers who obtain water from the Monterey Waterworks System. The amount of sewage treated will be determined by an accurate metering device to meter water or sewer at the discretion of the Town of Monterey.

How
did
we
get that?

Commercial multiple dwelling units, and industrial and commercial customers which obtain sewage treatment from the Monterey Waterworks System, but obtain water, either in part or in whole, from a source other than the Monterey Waterworks System, will be billed for sewage treatment based on the same rate as those commercial and industrial customers who obtain water from the Monterey Waterworks System. The amount of sewage treated will be determined by an accurate metering device to meter water or sewer at the discretion of the Town of Monterey.

Section 2. This ordinance shall take effect fourteen (14) days from and after its passage, the public welfare requiring it.
