

## **Executive Summary**

Council Workshop

<b>AGENDA ITEM: New City Hall Discussion</b>
<b>PREPARED BY: Jacob Schillander, City Administrator</b>
<b>RECOMMENDED ACTION: Discussion</b>

### **Summary:**

City Planner Mark and I met and came up with a location and floor plan that I think would work well for a New City Hall.

I would like to take time to discuss with Council and get direction, If council is in agreement, We would get a better concept drawn up and get price quotes.
