

Executive Summary

City Council Workshop

AGENDA ITEM: Maple Plain Museum
PREPARED BY: Jacob Schillander, City Administrator
RECOMMENDED ACTION: Discussion

Summary:

With the downtown project underway, I have been communicating with Judy Sutherland of the Maple Plain Museum. The Museum has been informed that it will need to vacate the current building no later than June 15, 2026.

As previously discussed, space within Veterans Memorial Park has been reserved for the Museum's future building. The Museum has indicated that they have plans in place to begin construction this spring.

I would like to dedicate time to discussing logistics with the Council regarding what this partnership will look like moving forward.
