CUSTOMER NOTE:

Please note, all estimates are based on review of the originally provided plans and concept drawings and based on current pricing and material costs as of bid date. Due to high market volatility in material costs, Impression Signs and Graphics reserves the right to adjust pricing in the event our vended materials costs increase more than 2% between bid date and our fabrication dates.

Final billing will be based on actual quantities of signs produced, which could vary from the original bid quantities.

*This handcrafted quote is based on the specific information you've given us and is valid for 30 days.*

When you approve this quote, you are agreeing to pay 100% of the quoted price. In most cases, we require a 50% deposit to begin work on your project. Once we receive your deposit, we'll schedule your project and email you an estimated completion date. The remaining balance is due upon completion of your order.

**Need to make changes?**

No problem - but please understand, changes to quantity or specifications will affect your price. We will provide you with an updated quote based on the changes.

**PLEASE NOTE:** Due to market uncertainty regarding tariffs, our pricing may change at any time based on fluctuations in material costs.
