| AGENDA ITEM: Cookies with Council/Muffins with the Mayor |
| PREPARED BY: Julie Maas-Kusske, Mayor Jacob Kolander, City Administrator |
| RECOMMENDED ACTION: Discussion & Decision |

Summary:

As we have conducted the community engagement program Cookies with Council/Muffins with the Mayor, we wanted to discuss the effectiveness and resources needed to support the events.

For the discussion, here are a couple of questions to spur the conversation.

- Is the current format meeting needs of residents?
- Is this the best use of staff time and resources?
- What are other ways to get engagement with neighbors?
