

Executive Summary

City Council Workshop

AGENDA ITEM: Rebranding Meeting Cadence
PREPARED BY: Kevin Larson, Assistant City Administrator
RECOMMENDED ACTION: Discussion

As the committee is morphing to be more involved in the communication process, I thought it would be good to discuss the possibility of getting a standing meeting set up.

The purpose of the meeting would be to discuss our publication cycle and the content we should release. i.e. leaflet topics, social media posts, and the electric sign.
