C. Medina/Common Bond Water Discussion

City Administrator Kolander summarized the history of the 51 unit common bond development. The agreement was originally made in 2006; in 2021, the council approved supplying water, and the City of Medina is asking the City of Maple Plain to supply water to this development officially. Kolander noted that with the addition of Kwik Trip, a 100-unit apartment building, and a new downtown development, the city's situation may have changed and may not allow the City to provide water supply to the common bond apartment development. City Engineer Martini mentioned that the City of Independence is conducting a water study to supply a development in Independence.

Council direction: Work through the legal agreement with the City Attorney. Afterwards, Kolander will meet with the council to provide an update.
