**MISSION SPRINGS WATER DISTRICT
REVENUE CERTIFICATES OF PARTICIPATION, SERIES 2026A**

CERTIFICATE PURCHASE AGREEMENT

_____, 2026

Mission Springs Water District
66575 2nd St.
Desert Hot Springs, California 92240

Ladies and Gentlemen:

Wells Fargo Bank, N.A. (the “**Underwriter**”), acting not as fiduciary or agent for you, but on behalf of itself, offers to enter into this Certificate Purchase Agreement (this “**Purchase Agreement**”) with the Mission Springs Water District (the “**District**”), which upon acceptance will be binding upon the District and upon the Underwriter. This offer is made subject to the District’s acceptance by the execution of this Purchase Agreement and its delivery to the Underwriter at or before 11:59 p.m., Pacific Standard Time, on the date of this Purchase Agreement and, if not, so accepted will be subject to withdrawal by the Underwriter upon notice delivered to the District at any time prior to the acceptance hereof by the District.

The primary role of the Underwriter, acting through the Wells Fargo Bank, NA Municipal Finance Group, which conducts municipal securities sales, trading and underwriting operations on behalf of the Underwriter, is to purchase the Revenue Certificates of Participation, Series 2026A (the “**Certificates**”), for resale to investors, in an arm’s-length commercial transaction between the District and the Underwriter. The Underwriter, as underwriter, has financial and other interests that differ from those of the District. The District acknowledges and agrees that: (i) the purchase and sale of the Certificates (as defined below) pursuant to this Purchase Agreement is an arm’s length commercial transaction between the District and the Underwriter in which the Underwriter is acting solely as a principal and not as an agent of the District and the Underwriter is not acting as a municipal advisor, financial advisor or fiduciary to the District; (ii) the Underwriter has not assumed any advisory or fiduciary responsibility to the District with respect to the transaction contemplated by the Purchase Agreement and the discussions, undertakings or procedures leading thereto (irrespective of whether the Underwriter, or any affiliate of the Underwriter have provided other services or is currently providing other services to the District on other matters); (iii) the only obligations the Underwriter has to the District with respect to the transaction contemplated by this Purchase Agreement are expressly set forth in this Purchase Agreement; and (iv) the District has consulted the District’s own financial and/or municipal legal, accounting, tax and other advisors, as applicable, to the extent the District has deemed appropriate. The District acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter disclosure under Rule G-17 of the Municipal Securities Rulemaking Board (the “**MSRB**”).

Section 1. Obligation to Purchase.

Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the District hereby agrees to cause to be executed and delivered by U.S. Bank Trust Company, National Association (the **“Trustee”**), \$_____ aggregate principal amount of Certificates pursuant to a Trust Agreement, dated as of _____ 1, 2026 (the **“Trust Agreement”**), by and among the District, the Mission Springs Water District Improvement Corporation (the **“Corporation”**), and the Trustee, and the Underwriter hereby agrees to purchase all of the Certificates for offering to the public. The Certificates shall be delivered in the form of current interest certificates and shall represent the fractional undivided interests of the Owners thereof in installment payments (the **“Installment Payments”**) under an Installment Purchase Agreement, dated as of _____ 1, 2026 (the **“Installment Purchase Agreement”**), to be made by the District to the Corporation, representing principal installments and interest payments payable at the rates per annum set forth in Appendix A hereto. The Corporation has assigned to the Trustee the right of the Corporation to receive and collect the Installment Payments due from the District to the Corporation under the Installment Purchase Agreement and other amounts payable by the District to the Corporation, pursuant to the Assignment Agreement, dated as of _____ 1, 2026, by and between the Trustee and the Corporation (the **“Assignment Agreement”**).

Interest with respect to the Certificates will be payable on each February 1 and August 1, commencing [February 1, 2027]. The Certificates shall also represent principal payments due on the dates and in the amounts set forth in Appendix A. The Certificates shall be as described in, shall be subject to prepayment and shall be executed and delivered under and pursuant to the Trust Agreement. Capitalized terms used in this Purchase Agreement and not otherwise defined herein shall have the respective meanings set forth for such terms in the Trust Agreement. The Underwriter agrees to make a bona fide initial public offering of all the Certificates at a price not in excess of the initial public offering prices or yields not less than the yields to be set forth in the Official Statement (defined below). Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices or yields as it deems necessary in connection with the marketing of the Certificates, provided that the Underwriter shall not change the interest rates set forth on Appendix A hereto.

The obligation of the District to make Installment Payments is a special obligation of the District payable solely from Net Revenues of the District’s Water System (the **“Water System”**) and the District’s Wastewater System (the **“Wastewater System”**), consisting of District’s Water System Revenues remaining after payment of District’s Water System Operation and Maintenance Costs and District Wastewater System Revenues remaining after payment of District Wastewater System Operation and Maintenance Costs, respectively.

Neither the Certificates nor the obligation of the District to make the Installment Payments constitutes a debt or indebtedness of such District, the Corporation, the County of Riverside (the **“County”**), the State of California (the **“State”**) or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction, or constitutes a pledge of the full faith and credit of any of the District, the Corporation, the County, the State or any of its political subdivisions.

The District will, pursuant to a Continuing Disclosure Certificate (the **“Continuing Disclosure Undertaking”**), dated as of the Closing Date (defined herein), undertake to provide certain

annual financial information and notices of the occurrence of certain listed events, under federal securities laws. A description of this undertaking is set forth in the Preliminary Official Statement and the Final Official Statement (each as described herein).

The Certificates are being executed and delivered to: (i) finance the acquisition of certain facilities for the District, and (ii) pay costs of delivery of the Certificates.

Section 2. Purchase Price.

The purchase price of the Certificates shall be \$_____ (which represents the total aggregate principal amount with respect to the Certificates originally sold and delivered, plus an original issue premium of \$_____, less an Underwriter's discount of \$_____).

Section 3. Official Statement.

(a) The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Certificates dated [POS Date] (the “**Preliminary Official Statement**”). The District represents that it has deemed the Preliminary Official Statement to be “final” for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1) promulgated under the Securities Exchange Act of 1934, as amended (the “**Rule**”), except for the omission of certain information permitted to be omitted by such Rule, which generally includes, the offering price(s), interest rate(s), selling compensation, aggregate principal or issue amount, principal amount per maturity, delivery date and rating(s) of and/or on the Certificates.

(b) The Underwriter agrees that prior to the time a final Official Statement relating to the Certificates is available, the Underwriter will send to any potential purchaser of the Certificates, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement relating to the Certificates. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date such request is received.

(c) The District hereby ratifies, confirms and approves the use and distribution by the Underwriter before the date hereof of the Preliminary Official Statement and hereby authorizes the Underwriter to use and distribute, in connection with the offer and sale of the Certificates: the Preliminary Official Statement, the Official Statement, the District Agreements (defined below), and other documents or contracts to which the District is a party in connection with the transactions contemplated by this Purchase Agreement, including this Purchase Agreement and all information contained herein, and all other documents, certificates and statements furnished by the District to the Underwriter in connection with the transactions contemplated by this Purchase Agreement.

(d) Within seven (7) business days from the date hereof, and in any event not later than two (2) business days before the Closing, the District shall deliver to the Underwriter a final Official Statement relating to the Certificates dated the date hereof (such Official Statement, including the cover page, and all appendices attached thereto, together with all information previously permitted to have been omitted by the Rule and any amendments or supplements and statements incorporated by reference therein or attached thereto, as have been approved by the District, Special Counsel (defined herein), and the Underwriter, is referred to herein as the “**Official Statement**”) and such additional conformed copies thereof as the Underwriter may reasonably request in sufficient quantities to comply with the Rule, rules of the MSRB, and to meet potential customer requests for copies of the Official

Statement. An authorized officer of the District shall execute the Official Statement. Such final Official Statement shall be substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District who hereby authorizes the Underwriter to use and distribute the final Official Statement in connection with the offering and sale of the Certificates. The District shall prepare the Official Statement, including any amendments thereto, in word-searchable PDF format as described in the MSRB's Rule G-32 and shall provide the electronic copy of the word-searchable PDF format of the Official Statement to the Underwriter no later than one (1) business day prior to the Closing Date to enable the Underwriter to comply with MSRB Rule G-32.

(e) The Underwriter agrees to file the Official Statement with the MSRB through its Electronic Municipal Market Access (“EMMA”) system or as otherwise provided by the Securities Exchange Commission or MSRB within one business day after receipt thereof from the District, but in no event later than the Closing Date (as defined herein).

(f) References herein to the Preliminary Official Statement and the final Official Statement include the cover page, inside cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

Section 4. Closing.

(a) At or before 9:00 a.m., Pacific Standard time, on [Closing Date], or at such other time or on such earlier or later date as the parties hereto shall agree upon (the “**Closing Date**”), the District will deliver or cause to be delivered to the Underwriter through the facilities of The Depository Trust Company (“**DTC**”), or at such other place upon which the Underwriter and the District may mutually agree, the Certificates in the form of a single fully registered Certificate (which may be printed, copied photostatically or typewritten) for each of the maturities of the Certificates, duly executed, and, at the offices of Special Counsel (defined herein) in Newport Beach, California, or at such other place as may be mutually agreed upon, the other documents mentioned below. Upon satisfaction of all conditions to the closing set forth herein, the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds (by check, wire transfer or other manner of payment as to which the Underwriter may mutually agree) to the order of the Trustee.

(b) The Certificates shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Trust Agreement. The Certificates shall bear CUSIP Service Bureau numbers, but the failure to print any such number on any of the Certificates shall not constitute cause for a failure or refusal by the Underwriter to accept delivery of, or pay for, the Certificates in accordance with this Purchase Agreement. The Certificates duly executed shall be made available to the Underwriter, electronically, for inspection at least two (2) business days prior to the Closing Date.

Section 5. Representations and Warranties of the District.

The District represents and warrants to the Underwriter that:

(a) The District is a county water district duly organized and existing pursuant to the Constitution and laws of the State of California and has all necessary power and authority to adopt the Resolution and to enter into and perform its duties under the Installment Purchase Agreement, Trust Agreement, Continuing Disclosure Undertaking, and this Purchase Agreement (collectively, the

“**District Agreements**”), and, when validly authorized, executed and delivered by the other respective parties thereto, the District Agreements will constitute legal, valid and binding obligations of the District enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, moratorium or other similar laws or equitable principles relating to or limiting, creditors’ rights generally.

(b) The execution and delivery by the District of the District Agreements and in compliance with the provisions hereof and thereof, have been duly authorized by all necessary official action on the part of the District and will not in any material respect conflict with or constitute a breach of or default under any law, administrative regulation, court decree, resolution, charter, bylaw or any agreement to which the District is subject or by which it is bound or by which its properties may be affected, in each case which breach or default has or would have a material adverse effect upon the ability of the District to perform its obligations under the District Agreements.

(c) Except as described in or contemplated by the Preliminary Official Statement or the Official Statement or as may be required under Blue Sky or other securities laws of any state, there is no consent, approval, authorization or other order, filing with, or certification by, any regulatory authority having jurisdiction over the District required for the execution and delivery of the Certificates or the entering into by the District of the District Agreements or the consummation by the District of the transactions contemplated thereby and by this Purchase Agreement, except as have already been obtained or will be obtained on or prior to the Closing Date.

(d) To the best of the District’s knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency or body pending with respect to which proper notice has been duly served upon and received by the District, or threatened against the District, (i) in any way questioning the corporate existence of the District or the titles of the officers of the District to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance of any of the Certificates, or in any way contesting or affecting the validity of the Certificates or the District Agreements or the consummation of the transactions contemplated thereby, or contesting the exclusion of the interest component of the Installment Payments from gross income for federal income tax purposes or contesting the powers of the District to enter into the District Agreements; (iii) which, except as described in the Preliminary Official Statement and the Official Statement, may result in any material adverse change to the financial condition of the District or to its ability to pay the Installment Payments when due; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and to the best of the District’s knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in this paragraph.

(e) Preparation and distribution of the Official Statement pertaining to the Certificates has been duly authorized by the District and the information contained therein as of the date hereof and as of the Closing Date, as to the District, the Wastewater System and the Water System, is and will be true and correct in all material respects and such information does not and will not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(f) The District agrees that if at any time prior to the End of the Underwriting Period, as defined under the Rule, any event occurs as a result of which the Official Statement as then in effect would include any untrue statement of a material fact or omit to state any fact necessary to make the statements made therein not misleading in any material respect, the District shall cooperate with the Corporation in promptly preparing an amendment or supplement that will correct such statement or omission. The District will advise the Underwriter promptly of any proposal to so amend or supplement the Official Statement and will effect such amendment or supplement in a form and manner approved by the Underwriter, which approval shall not be unreasonably withheld. The Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

(g) The District agrees to cooperate with the Underwriter in endeavoring to qualify the Certificates for offering and sale under the securities or Blue Sky laws of such jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(h) The District will, pursuant to its Continuing Disclosure Undertaking, agree to provide or cause to be provided to the MSRB through its EMMA system and any public or private repository or entity designated by the Securities and Exchange Commission for purposes of the Rule certain annual financial information and operating data, and, in a timely manner, notice of certain listed events respecting the Certificates in order to assist the Underwriter in complying with the Rule. Except as disclosed in the Preliminary Official Statement and Official Statement, the District has not, within the past five years, failed to comply in all material respects with its previous undertakings to provide annual reports and notices of listed events.

(j) As of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit (other than as permitted by the Rule) to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) Except as described in the Preliminary Official Statement and the Official Statement, the District does not have outstanding any other indebtedness which indebtedness is secured by a lien on the Net Revenues on a basis superior to or on a parity with the lien of the Installment Payments on the Net Revenues.

(l) Between the date of this Purchase Agreement and the date of Closing and except as otherwise disclosed in the Preliminary Official Statement and the Official Statement, the District will not, without the prior written consent of the Underwriter, offer or issue any bonds, notes or other obligations for borrowed money, or incur any material liabilities, directly or contingently payable from the Net Revenues.

(m) The financial statements of, and other financial information regarding the District, in the Official Statement fairly present the financial position and results of the District as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending or, to its

knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

Section 6. Establishment of Issue Price.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Certificates and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Special Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Certificates.

(b) Except as otherwise set forth in Appendix A, the District will treat the first price at which 10% of each maturity of the Certificates (the “**10% test**”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Certificates. If at that time the 10% test has not been satisfied as to any maturity of the Certificates, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Certificates of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either: (i) the Underwriter has sold all Certificates of that maturity; or (ii) the 10% test has been satisfied as to the Certificates of that maturity, provided that the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the District or Special Counsel. For purposes of this Section, if Certificates mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Certificates.

(c) The Underwriter confirms that it has offered the Certificates to the public on or before the date of this Purchase Agreement at the offering price or prices (the “**initial offering price**”), or at the corresponding yield or yields, set forth in Appendix A attached hereto. Appendix A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Certificates for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “**hold-the-offering-price rule**”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Certificates, the Underwriter will neither offer nor sell unsold Certificates of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of the maturity of the Certificates to the public that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth business day after the sale date whether it has sold 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

The District acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on: (i) in the event that a selling group has been created in connection with the initial sale of the Certificates to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in a selling group agreement and the related pricing wires; and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Certificates to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates.

(d) The Underwriter confirms that: (i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable: (A)(1) to report the prices at which it sells to the public the unsold Certificates of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Certificates of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Securities of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter; and (2) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter; (B) to promptly notify the Underwriter of any sales of Certificates that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Securities to the public (each such term being used as defined below); and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public; and (ii) any selling group agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Certificates to the public to require each broker-dealer that is a party to such third-party distribution agreement to: (A) report the prices at which it sells to the public the unsold Certificates of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Certificates of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Certificates of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer; and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The Underwriter acknowledges that sales of any Certificates to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means: (A) any person that agrees pursuant to a written contract that the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Certificates to the public; and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Certificates to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Certificates),

(3) a purchaser of any Certificates is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to: (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another); (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another); or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) “sale date” means the date of execution of this Purchase Agreement by all parties.

Section 7. Conditions to the Obligations of the Underwriter.

The obligation of the Underwriter to accept delivery of and pay for the Certificates on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations, warranties and agreements on the part of the District contained herein and in the Installment Purchase Agreement, as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the officers and other officials of the Trustee, the Corporation and the District made in any certificates or other documents furnished pursuant to the provisions hereof or of the District Agreements, and to the performance by the Trustee, the Corporation and the District of their respective obligations to be performed hereunder and under the District Agreements on or prior to the Closing Date, and to the following additional conditions:

(a) As of the Closing Date, the District Agreements and the Official Statement shall have been duly authorized, executed and delivered by the respective parties thereto, in substantially the forms heretofore submitted to the Underwriter with only such changes as shall have been agreed to in writing by the Underwriter, and said agreements shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and there shall have been taken in connection therewith, with the execution and delivery of the Certificates and with the transactions contemplated thereby and by this Purchase Agreement, all such actions as Special Counsel shall deem to be necessary and appropriate in order to permit it to render the opinion set forth in Appendix C to the Official Statement.

(b) As of the Closing Date, the Official Statement shall not have been amended, modified or supplemented, except as may have been agreed to by the Underwriter, the District and the Corporation.

(c) Marketability Between the Date Hereof and the Closing. The market price or marketability or the ability of the Underwriter to enforce contracts of the sale of the Certificates, at the initial offering prices set forth in the official statement, in the reasonable opinion of the Underwriter, shall not have been materially adversely affected by reason of any of the following:

(1) Legislation enacted or introduced in the Congress or passed by either House of Congress, or favorably reported for passage to either House of Congress by any Committee of such House to which such legislation has been referred for consideration, or introduced in the Congress recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement or made:

(i) by or on behalf of the United States Treasury Department or by or on behalf of the Internal Revenue Service, with the purpose or effect, directly or indirectly, of causing inclusion in gross income for purposes of federal income taxation of the Installment Payments as would be received by the Corporation or the Trustee under the Installment Purchase Agreement or upon such interest portion of the Installment Payments as would be received by the owners of the Certificates; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Certificates, or obligations of the general character of the Certificates, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Trust Agreement is not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(2) the declaration of war or engagement in or escalation of major military hostilities by the United States or any other national emergency or international calamity relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or California authorities, or the general suspension of trading on any national securities exchange;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Certificates, or obligations of the general character of the Certificates, or securities generally, or the material increase of any such restrictions now in force;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Certificates, or the issuance, offering or sale of the Certificates, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(6) after the date hereof, up to and including the time of the Closing, there has occurred any change in or particularly affecting the District, the District Agreements, or the Net Revenues as the foregoing matters are described in the Official Statement, which in the reasonable professional judgment of the Underwriter materially impairs the investment quality of the Certificates;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(8) the withdrawal, suspension, negative change or downgrading or placement on credit watch of any underlying rating of the District's outstanding indebtedness by a national rating agency;

(9) there shall have occurred any materially adverse change in the affairs or financial condition of the District;

(10) the occurrence of a major financial crisis, a material disruption in commercial banking or securities settlement or clearance services, or a material disruption or deterioration in the fixed income or municipal securities market which, in the Underwriter's reasonable judgment, materially adversely affects the marketability or market price of the Certificates;

(11) legislation enacted by the State legislature or a decision rendered by a State Court, or a ruling, order or regulation (final or temporary) made by a State authority, would have the effect of changing, directly or indirectly, the consequences of interest on obligations of the general character of the Certificates in the hands of the holders thereof; or

(12) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to the Official Statement.

(d) On or prior to the Closing Date, the Underwriter shall receive satisfactory evidence that the Certificates have been assigned the ratings set forth on the cover of the Official Statement, and that such ratings have not been lowered, withdrawn or placed under review or "Credit Alert" prior to the Closing Date.

(e) On or prior to the Closing Date, the Underwriter shall have received the following documents, in each case satisfactory in form and substance to the Underwriter:

(1) the District Agreements, each duly executed and delivered by the respective parties thereto, with such amendments, qualifications or supplements as may have been agreed to in writing by the Underwriter;

(2) an approving opinion of Stradling Yocca Carlson & Rauth LLP ("**Special Counsel**") substantially in the form included as Appendix C to the Official

Statement, dated the Closing Date and addressed to the District, and a reliance letter addressed to the Underwriter and Trustee, of Special Counsel, together with an additional supplemental opinion in a form acceptable to the Underwriter, dated the Closing Date and addressed to the Underwriter, to the effect that:

(i) the District has full right and lawful authority to enter into and perform its duties under the Purchase Agreement, and the Purchase Agreement has been duly authorized, executed and delivered by the District and, assuming due authorization, execution and delivery by the Underwriter, constitutes legal, valid and binding obligation of the District, enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditor's rights or remedies and are subject to general principals of equity (regardless of whether such enforceability is considered in equity or at law);

(f) Notwithstanding anything to the contrary herein contained, if for any reason whatsoever the Certificates shall not have been delivered by the District to the Underwriter prior to the close of business, California time, on the Closing Date, then the obligation to purchase Certificates hereunder shall terminate and be of no further force or effect.

If the District shall be unable to satisfy the conditions to the Underwriter's obligations contained in this Purchase Agreement or if the Underwriter's obligations shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement may be cancelled by the Underwriter at, or at any time prior to, the time of Closing. Section 9. Expenses.

(a) All expenses and costs of the Corporation or the District incident to the performance of their obligations in connection with the authorization, execution, sale and delivery of the Certificates to the Underwriter, including (i) the cost of preparation, printing, execution and delivery of the Certificates; (ii) the acceptance fees of the Trustee and any fees and expenses of Trustee's counsel; (iii) any fees charged by any rating agency in connection with obtaining a rating for the Certificates, including interstate travel, expenses and fees; (iv) the cost of preparation, distribution and delivery of the Preliminary Official Statement and the final Official Statement; (v) the fees and expenses of Special Counsel and Disclosure Counsel; (vi) the fees and expenses of Municipal Advisor to the District; (vii) any premium or fees charged by a credit provider for the credit enhancement of the Certificates; and (viii) expenses for travel, lodging, and subsistence related to rating agency visits and other meetings connected to the authorization, sale, issuance and distribution of the Certificates, shall be paid by the District, as set forth in the Trust Agreement.

The District and Underwriter agree that in the event the aggregate estimated expenses exceed the aggregate actual expenses incurred by the Underwriter in an amount equal to or greater than \$1,000 (the "**Reimbursement Threshold**"), the Underwriter shall reimburse to the District the amount that the aggregate estimated expenses exceed the aggregate actual expenses. For the avoidance of doubt, the District acknowledges and agrees that in the event the aggregate estimated expenses exceed the aggregate actual expenses incurred by the Underwriter in an amount less than the Reimbursement Threshold, no reimbursement will be made by the Underwriter to the District. The District acknowledges that it has had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider the fees and expenses being incurred as part of the issuance of the Certificates.

If this Purchase Agreement shall be terminated by the Underwriter because of any failure or refusal on the part of the District to comply with the terms or to fulfill any of the conditions of this Purchase Agreement, or if for any reason the District shall be unable to perform its obligations under this Purchase Agreement, the District will reimburse the Underwriter for all out-of-pocket expenses (including the fees and disbursements of counsel to the Underwriter) reasonably incurred by the Underwriter in connection with this Purchase Agreement or the offering contemplated hereunder.

This Purchase Agreement shall be interpreted, governed and executed in accordance with the laws of the State of California applicable to contracts made and performed in such state.

Section 13. Effectiveness.

This Purchase Agreement shall become effective upon the execution hereof by the Underwriter and the District and shall be valid and enforceable from and after the time of such execution.

Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Certificates during the Holding Period.
