Consultant agrees with the Mission Springs Water District that:

- a. When the law establishes a professional standard of care for Consultant's services, to the fullest extent permitted by law, Consultant will immediately defend, indemnify and hold harmless Mission Springs Water District, its directors, officers, employees, and authorized volunteers from all claims and demands of all persons that arise out of, pertain to, or relate to the Consultant's negligence, recklessness, or willful misconduct in the performance (or actual or alleged non-performance) of the work under this agreement. Consultant shall defend itself against any and all liabilities, claims, losses, damages, and costs arising out of or alleged to arise out of Consultant's performance or non-performance of the work hereunder and shall not tender such claims to Mission Springs Water District nor to its directors, officers, employees, or authorized volunteers, for defense or indemnity.
- b. Other than in the performance of professional services, to the fullest extent permitted by law, Consultant will immediately defend, indemnify and hold harmless Mission Springs Water District, its directors, officers, employees and authorized volunteers from all claims and demands of all persons arising out the performance of the work or furnishing of materials; including but not limited to, claims by the Consultant or Consultant's employees for damages to persons or property except for the sole negligence or willful misconduct or active negligence of Mission Springs Water District, its directors, officers, employees, or authorized volunteers.
- c. By his/her signature hereunder, Consultant certifies that he/she is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and that Consultant will comply with such provisions before commencing the performance of the professional services under this agreement. Consultant and sub-consultants will keep workers' compensation insurance for their employees in effect during all work covered by this agreement.
- d. Consultant will file with Mission Springs Water District, before beginning professional services, a certificate of insurance satisfactory to Mission Springs Water District evidencing professional liability coverage of not less than \$1,000,000 per claim and \$2,000,000 annual aggregate, that coverage shall not be cancelled except with notice to Mission Springs Water District. Coverage is to be placed with a carrier with an A.M. Best rating of no less than A-: VII, or equivalent, or as otherwise approved by Mission Springs Water District. The retroactive date (if any) is to be no later than the effective date of this agreement. Consultant shall maintain such coverage continuously for a period of at least five (5) years after the completion of the contract work. Consultant shall purchase a five-year extended reporting period i) if the retroactive date is advanced past the effective date of this Agreement; ii) if the policy is canceled or not renewed; or iii) if the policy is replaced by another claims-made policy with a retroactive date subsequent to the effective date of this Agreement. In the event that the Consultant employs other consultants (sub-consultants) as part of the work covered by this agreement, it shall be the Consultant's responsibility to require and confirm that each sub-consultant meets the minimum insurance requirements specified above.
- e. Consultant will file with Mission Springs Water District, before beginning professional services, certificates of insurance (Acord Form 25 or equivalent) satisfactory to Mission Springs Water District evidencing

Coverage – Coverage for commercial general liability and automobile liability insurance shall be at least as broad as the following:

1. Insurance Services Office (ISO) Commercial General Liability Coverage (Occurrence Form CG 0001)
2. Insurance Services Office (ISO) Business Auto Coverage (Form CA 0001), covering Symbol 1 (any auto)

Limit – The consultant shall maintain limits no less than the following:

General liability - coverage of not less than two million (\$2,000,000) per occurrence or the full per occurrence limits of the policies available, whichever is greater for bodily injury, personal injury and property damage; (\$4,000,000 general and products-completed operations aggregate (if used)).

1. Auto liability - One million dollars \$1,000,000 for bodily injury and property damage each accident limit.
2. Workers' compensation (statutory limits) and employer's liability (\$1,000,000) (if applicable).

Required Provisions –

- The general liability coverage shall give Mission Springs Water District, its directors, officers, employees (collectively the District), and authorized volunteers insured status (via ISO endorsement at least as broad as CG 2010 1185 or **both** CG 20 10 plus CG 20 37 if a later edition is used) specifically naming the Mission Springs Water District, its directors, officers, employees, or authorized volunteers; or using the language that states "as required by written contract."
 - The general liability coverage is to state or be endorsed (with as broad as ISO endorsement CG 20 01 04 13) to state "such insurance shall be primary and any insurance, self-insurance or other coverage maintained by Mission Springs Water District, its directors, officers, employees, or authorized volunteers shall not contribute to it".
 - Coverage is to be placed with a carrier with an A.M. Best rating of no less than A- VII, or equivalent, or as otherwise approved by Mission Springs Water District.
 - The coverage shall contain no special limitations on the scope of protection afforded to Mission Springs Water District, its directors, officers, employees, or authorized volunteers.
 - In the event that the Consultant employs other consultants (sub-consultants) as part of the work covered by this agreement, it shall be the Consultant's responsibility to require and confirm that each sub-consultant meets the minimum insurance requirements specified above.
- f. If any of the required coverages expire during the term of this agreement, the Consultant shall deliver the renewal certificate(s) to Mission Springs Water District at least ten (10) days prior to the expiration date.
 - g. Consultant shall not accept direction or orders from any person other than the General Manager or the person(s) whose name(s) is (are) inserted on Page 1 as "other Authorized Representative(s)."
 - h. Payment, unless otherwise specified on Page 1, is to be within thirty (30) days after acceptance by Mission Springs Water District.
 - i. Professional permits required by governmental authorities will be obtained at Consultant's expense, and Consultant will comply with applicable local, state and federal regulations and statutes including but not limited to Cal/OSHA requirements.
 - j. Any change in the scope of the professional services to be done, method of performance, nature of materials or price thereof, or to any other matter materially affecting the performance or nature of the professional services will not be paid for or accepted unless such change, addition or deletion is approved in advance, in writing by a supplemental agreement executed by Mission Springs Water District. Consultant's "Authorized Representative(s)" has (have) the authority to execute such written change for Consultant.
 - k. Unless otherwise agreed upon in writing, all reports, documents, or other written material, including any documents, images, photographs, video files, or other media created or developed by Consultant as part of the services required hereunder ("Written Products") shall be considered to be "works made for hire", and all Written Products and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and all other proprietary rights, shall be and remain the property of Mission Springs Water District without restriction or limitation upon their use, duplication or dissemination by Mission Springs Water District, except as otherwise provided herein. Consultant shall not obtain or attempt to obtain copyright protection as to any of the Written Products.

- l. Consultant hereby assigns to Mission Springs Water District all ownership and any and all intellectual property rights to the Written Products that are not otherwise vested in Mission Springs Water District pursuant to section above.
- m. Consultant shall not disclose, publish, or authorize others to disclose or publish, design data, drawings, specifications, reports, or other information pertaining to the projects assigned to the Consultant by the Mission Springs Water District or other information to which the Consultant has had access during the term of this Agreement without the prior written approval of an Authorized Representative during the term of this Agreement. Consultant's covenant under this section shall survive the termination of this Agreement.
- n. Consultant shall maintain complete and accurate records with respect to sales, costs, expenses, receipts, and other such information required by the Mission Springs Water District or the Authorized Representative. The Consultant shall maintain adequate records on services provided in sufficient detail to permit an evaluation of service. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. At all times during regular business hours, Consultant shall provide access to such books and records to the Authorized Representative or his or her designees and shall give the Authorized Representative or his or her designees the right to examine and audit such books and records and to make transcripts as necessary, and shall allow inspection of all work, data, documents, proceedings, and activities related to this Agreement.
- o. This Agreement is personal to the Consultant. Any attempt to assign or subcontract any right or obligation hereunder by the Consultant shall be void unless approved in writing in advance by the Authorized Representative. Consultant's services pursuant to this Agreement shall be provided by the representative or directly under the supervision of the representative and Consultant shall not assign another to supervise the Consultant's performance of this Agreement without the prior written approval of the Mission Springs Water District, by and through the Authorized Representative.
- p. Consultant shall not maintain, commit, or permit the maintenance or commission of any nuisance in connection with the performance of services under this Agreement.
- q. Consultant agrees to be familiar with and comply with all applicable federal, state, and local conflict of Interest laws, including, but not limited to, the Political Reform Act (California Government Code Sections 81000, et seq.) and California Government Code Section 1090. During the term of this Agreement, Consultant shall retain the right to perform similar services for other clients, but Consultant and its officers, employees, associates and subcontractors shall not, without the prior written approval of the Authorized Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict-of-interest statute.
- r. A waiver by the Mission Springs Water District of any breach of any term, covenant, or condition contained in this Agreement shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement whether of the same or different character.
- s. The Consultant shall commence, carry on, and complete all required tasks with all practicable dispatch, in a sound, economical, and efficient manner in accordance with all applicable laws and generally accepted industry standards.
- t. No Third-Party Beneficiaries. The Mission Springs Water District shall not be obligated or liable under this Agreement to any party other than the Consultant.
- u. In no event shall the making by the Mission Springs Water District of any payment to the Consultant constitute or be construed as a waiver by the Mission Springs Water District of any breach of covenant, or any default which may then exist, on the part of the Consultant, and the making of any such payment by the Mission Springs Water District while any such breach or default shall exist shall in no way impair or

prejudice any right or remedy available to the Mission Springs Water District with regard to such breach or default.

- v. If any legal action is necessary to enforce any provision of this Agreement or for damages by reason of an alleged breach of any provisions of this Agreement, the prevailing Party shall be entitled to receive from the losing Party all costs and expenses in such amount as the courts may determine to be reasonable. In awarding the cost of litigation, the court shall not be bound by any court fee schedule, but shall, if it is in the interest of justice to do so, award the full amount of costs, expenses, and attorneys' and experts' fees paid or incurred in good faith.
- w. In the performance of the work required by this Agreement, Consultant shall abide by and conform with and to any and all applicable laws of the United States and the State of California, and with the local County and Municipal Code, ordinances, regulations and policies.
- x. If any part, term, or provision of this Agreement shall be held illegal, unenforceable, or in conflict with any law of a federal, state, or local government having jurisdiction over this Agreement, the validity of the remaining portions or provisions shall not be affected by such holding.
- y. The terms of this Agreement shall be interpreted according to the laws of the State of California. Should litigation occur, venue shall be the Superior Court of Riverside County, California.
- z. This Agreement represents the entire Agreement between the Mission Springs Water District and Consultant with respect to the subject matter hereto and supersedes all prior oral or written negotiations, representations or agreements. No verbal agreement or implied covenant shall be held to vary the provisions of this Agreement. This Agreement shall bind and inure to the benefit of the parties to this Agreement and any subsequent successors and assigns. In the event of any inconsistency between the provisions of this Agreement and Consultant's proposal or Quote, and Exhibits hereto, the provisions of this Agreement shall control.
- aa. Precedence of Exhibits. All documents referenced as exhibits in this Agreement are hereby incorporated in this Agreement. In the event of any material discrepancy between the express provisions of this Agreement and the provisions of any document incorporated herein by reference, the provisions of this Agreement shall prevail.
- bb. Consultant will act hereunder as an independent contractor. This agreement shall not and is not intended to constitute Consultant as an agent, servant, or employee of the Mission Springs Water District and shall not and is not intended to create the relationship of partnership, joint venture or association between the Mission Springs Water District and Consultant.
- cc. Each of the signatories herein hereby represents that he or she has the authority to execute the Agreement on behalf of his or her contracting party.
- dd. This work is subject to the State of California "Prevailing Wage Rates". This work is subject to the requirements of California Labor Code Section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices and compliance with other applicable requirements. In accordance with provisions of Section 1773 of the Labor Code, the Director of the Department of Industrial Relations (DIR) has ascertained the general prevailing rate of wages and employer payments for health and welfare, pension, vacation, and similar purposes applicable to the particular craft, classification, or type of workers employed on the work.

Pursuant to SB 854, no contractor or subcontractor may work on a public works project unless registered with DIR for contracts awarded on/after April 1, 2015. General Contractors shall ensure all subcontractors executing work under the contract are DIR registered. All public works contractors and subcontractors to furnish electronic certified payroll records directly to the Labor Commissioner using the California Division of Labor Standards Enforcement's online portal.

REQUIREMENTS

1. **STANDARD OF PERFORMANCE.** It is the intent of this maintenance contractor to provide a level of maintenance that will present a pleasing and desirable appearance at all times. The Contractor is to maintain all designated areas covered by these specifications at such a level. The District shall be the sole judge as to the adequacy of the contractor's maintenance of the appearance of the sites.
2. **SCHEDULE AND NOTIFICATION.** The Contractor shall submit a schedule of activities to the District. This schedule shall contain a comprehensive listing of maintenance activities and the day(s) on which they will be performed at each site. This comprehensive check list shall be provided to the District and updates shall be submitted as needed. Contractor shall notify the District forty-eight (48) hours prior to commencing the following items,
 - Tree Trimming
 - Major Tree Removal
 - Applying pesticides or herbicides
3. **NOTICE OF ADVERSE CONDITIONS.** When conditions exist such that additional work outside the scope of this contract is needed to prevent the loss or injury of plants, material, slopes, structures, or other District property, the Contractor shall notify the District in writing, setting forth the adverse condition and providing a recommended solution, if any. The District expects the Contractor to be proactive with regards to identifying and reporting adverse conditions.
4. **REPORTING DAMAGE.** The Contractor will report, without delay, any damage to the sites covered by these specifications, and the Districts equipment or other property located on the sites, regardless of whether caused by his own acts, the acts of others or acts of the District.
5. **REPAIR OF DAMAGE.** The Contractor will be responsible to promptly repair all defective work and damage caused by their work, or lack of work, at no cost to the District. Replacement of damaged irrigation systems or other facilities shall be the same kind as those previously existing.
6. **KEYS AND LOCKS.** Prior to starting work, the District will furnish and check out/assign to the Contractor a reasonable number of keys and or remotes to the sites. The Contractor shall be responsible for the distribution of these keys and or remotes to responsible employees and shall take all steps to prevent the unauthorized use of the keys. At the end of the fiscal year or at termination of contract, Contractor will be required to return all keys and or remotes to the District.

7. **WORKING HOURS.** Maintenance and repair work shall be performed between the hours of **6:30 a.m. and 4:00 p.m. Monday through Friday.** Any work outside of these hours or days will require approval from the District.
8. **BUSINESS LICENSE.** The Contractor shall possess a valid City of Desert Hot Springs and County of Riverside business license.
9. **CONTRACTOR LICENSE/BONDING.** The Contractor shall be bonded and insured and hold a valid Contractor's license issued by the California Contractor State License Board.
10. **PREVAILING WAGE.** This work is subject to the State of California "Prevailing Wage Rates". This work is subject to the requirements of California Labor Code Section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices and compliance with other applicable requirements. In accordance with provisions of Section 1773 of the labor code. The Director of the Department of Industrial Relations (DIR) has ascertained the general prevailing rate of wages and employer payments for health and welfare, pension, vacation, and similar purposes applicable to the particular craft, classification, or type of workers employed on the work.

Pursuant to SB 854, no contract or subcontractor may work on a public works project unless registered with DIR for contracts awarded on/after April 1, 2015. General Contractors shall ensure all subcontractors executing work under the contract are DIR registered. All public works contractors and subcontractors to furnish electronic certified payroll records directly to the Labor Commissioner using the California Division of Labor Standards Enforcement's online portal.

MAINTENANCE REQUIREMENTS

1. **WATERING.** Contractor shall determine an efficient watering schedule for all sites accordingly and shall adhere to this schedule.
2. **WEED CONTROL.** All areas shall be maintained in a weed free condition. Hand removal of all weeds will be the eradication method unless otherwise approved by the District.
3. **TRIMMING.** Shrubbery shall be trimmed and shaped according to industry standards, which varies by species, to encourage healthy growth habits. Shrubbery shall be trimmed back from electrical cabinets, doorways, gateways, walkways, fences and property lines so that an unobstructed access is always maintained. All brush shall be removed from at least five (5) feet from any boundary fence. Shrubs and brush shall be trimmed to maintain a minimum six (6) foot clearance from any structure.
4. **WEEDING.** Sites shall be maintained in a weed-free condition. Hand weeding shall be performed on every site visit per the submitted schedule.
5. **MULCHING.** Where applicable, plant areas shall be cultivated and mulched at all times with a minimum of two-inch depth and a maximum of four-inch depth when allowed to maintain plant vitality. Contractor shall maintain all mulch/ground cover areas and add

as needed. Contractor shall notify District when mulch is needed. District will provide mulch to contractor for use.

- 6. DISEASE CONTROL.** The Contractor shall inspect all landscaping for signs of disease and distress, shall take all reasonable steps to cure the disorder. When the condition is not feasible to cure, the Contractor shall submit a report stating the lack of cure or reason for unfeasibility. The cost of diagnosing and treating plant diseases shall be borne by the Contractor.
- 7. TREE TRIMMING.** Contractor shall perform tree trimming a minimum of every year, removing suckers and cross branches. Dead and diseased wood and damaged branches shall be removed back to a side branch. Thin-out, shape and head back trees to provide a pleasing appearance and a sound, strong form. Vine tendrils shall be removed to the ground in a manner which will not injure the tree or scar the trunk. The District must be notified in advance to tree trimming.
- 8. WIND DAMAGE.** The Contractor shall be responsible for the removal of trees, or limbs that fall as a result of high wind. In extreme cases when fallen trees are obstructing walkways or when it inhibits regular performance of staff, removal must be done within 24 hours of falling. Fallen trees shall be taken out by the root. The hole shall be filled in and the area leveled to the natural grade and contours.
- 9. WALKWAYS AND DRIVEWAYS.** Where applicable, walkways, driveways, and parking lots shall be cleaned of all foreign substances and must be performed during each visit.
- 10. LITTER REMOVAL.** Litter shall be removed from all sites on each visit per submitted schedule.
- 11. HERBICIDE USE AT RESERVOIR/WELL SITES.** No herbicides of any type may be used around wells, concrete reservoirs, underground or subsurface reservoirs. Vegetation must be physically removed in these cases.
- 12. IRRIGATION/SPRINKLER SYSTEMS.** The contractor shall maintain the complete irrigation system in an operable condition including but not limited to pressure pipes from the water meter to the control valves, all sprinkler pipes, all manual and automatic valves used for the sprinkler systems, anti-siphon valves sprinkler heads, anti-drain valves, electrical wiring from the controller to the solenoid valves, strainers, filters, pressure regulators, automatic controllers, valve boxes, emitters, and driplines.
