RESOLUTION 2025-09 -TO ESTABLISH SEWER STANDBY ASSESSMENTS

STAFF RECOMMENDATION

Adopt Resolution 2025-09, making a determination to fix, levy, and collect sewer standby assessments for fiscal year 2024-2025.

SUMMARY

The District is required to conduct a public hearing for the purpose of placing sewer standby charges on the Riverside County property tax roll. The standby charges apply to certain properties that have not been disallowed by California Proposition 218. The standby assessment is deleted from the tax rolls when the subject property acquires sewer service.

ANALYSIS

Standby charges were developed for the purpose of paying the costs to maintain sewer lines that front undeveloped property. California Proposition 218 precludes any additional properties from being added to the standby rolls. The proposition does not require the cessation of charges on existing properties prior to the passage of the Proposition. The standby charge that was in effect at the time of passage of Proposition 218 cannot be increased. The standby assessment roll will eventually disappear as the affected properties are developed.
