**Candidate Statement:**

I am pleased to share with you my interest in being part of the Board of Directors representing the Southern Network. The Board of Directors for the California Special Districts Association has six major beliefs and I believe I would be an excellent addition that would support the board in being a leading and passionate voice for all special districts.

In order to raise awareness and understanding of what special districts are, the CSDA established the "Districts Make The Difference" campaign. This campaign focuses on creating more visibility and outreach to the public. With its new logos, videos, student contents, etc. the CSDA is demonstrating a newfound commitment to revolutionize, and modernize its efforts. Electing me as the representative of the Southern Network would align with CSDA's most recent push in revitalizing and revamping its efforts to outreach the public.

Undoubtedly, the members of the current Board of Directors are committed to strengthening and supporting the special districts that make up California. However, the strength of a fresh perspective cannot be overstated. As a newly elected Director the South Bay Irrigation District, and the youngest member ever elected, I have been able to bring a new perspective to our governing board. As part of the Board of Directors I would focus on being a member that promotes the ability to look at what can be done, and not only at what has been done.

Professionally, I am a graduate of the University of California, Los Angeles (UCLA) with a major in Political Science and minored in Society and Genetics as well as Biological Anthropology. I also possess a master's degree from Johns Hopkins University and I am currently a public high school biology teacher.
