## Appendix B: Economic Development Assistance Program Guidelines

### Graduated Rental Assistance

- The primary goal of the Graduated Rental Assistance Program is to reduce the burden of rental expenses on new businesses and to help offset the initial startup costs of the business.
- The business must be a for-profit venture. Nonprofit and governmental organizations are not eligible for the program.
- Grant funds cannot be used to fund rent for any portion of the property used for residential purposes. In such cases, the total rent amount may be adjusted proportionally to reflect usage of the property.

- At no point will MVEDC pay 100% of the rental expenses for any recipient of this program.
- The rental assistance is designed to assist the business owner with rental expense over a period of time, but the owner will assume responsibility of the full rental costs at the end of the rental assistance period as determined by the MVEDC
- All disbursements through this program will be made in the form of a reimbursement following the submission of a copy of the canceled check paid to the property owner and/or a receipt from the property owner, or direct payment of rental assistance to the property owner/landlord.
- Generally, the program can span any amount of time up to 12 months with MVEDC reimbursing the business owner's rental expense in four installments: 25% of the total rent cost to be paid for the first installment; 50% of the total rent cost to be paid for the second installment; and 75% of the total rent cost to be paid for the third installment of the rental agreement term. Rental assistance from the MVEDC to the business owner shall not be granted until the termination of free or subsidized rent from the property owner. Term of assistance and length of payment installments shall be negotiated between business and MVEDC, with the decision of the MVEDC being final.
- The City Council upon recommendation by the MVEDC Board may approve a modification to the standard rate and duration of the program on a case-by-case basis.
- Recipients may receive only one Graduated Rental Assistance Agreement per business.
- Rental amount and must be comparable to similar rental rates for similar properties in the area of the business property.
- Rental assistance shall not exceed \$6,000 for any business.
- All disbursements through this program will be subject to requirements set forth in an incentive performance agreement, including but not limited to a period for which the business must remain in operation following the completed disbursement of funds.
- MVEDC assumes no liability for the satisfaction of the lease agreement between the property owner and the tenant. This agreement is between the tenant and the MVEDC and will be strictly a reimbursement of the costs required to satisfy the terms of the tenant's lease agreement with the property owner.

### **Existing Business Structure Assistance**

- The purpose of the Existing Business Structure Assistance Program is to enhance the economic sustainability of the City of Mount Vernon by assisting for profit business building owners and lessees in business building renovation processes; thereby encouraging increased ad valorem and / or sales taxes.
- The structure on which the improvements to be made must be at least five years old.
- Owners of multiple structures may submit only one application per fiscal year and may not have existing agreements on multiple properties at any one time.
- MVEDC may approve the full amount requested, a portion of the amount requested, or no amount at all.
- All grants provided under this program are reimbursements for cash expenditures by the applicant and require the applicant provide a match of at least twice the amount awarded (2:1 match required).
- Nonprofit and governmental organizations are not eligible to receive this funding.
- Applicants cannot have more than 20 full-time employees at the time of application
- All tax obligations must be current
- Property owners must submit Appendix A: Property Owner's Certification if the applicant is a tenant at the property
- The business owner will be required to obtain all necessary city and/or state permits, zoning, inspections, etc.... prior to applying for funding.
- The business owner must demonstrate best effort in obtaining at least 3 bids for improvements. The bids or documentation of best effort must be included in the application.
- The structure must be located within the Mount Vernon City limits.
- Applicants must have a valid Certificate of Occupancy from the City of Mount Vernon prior to receiving program funding.
- All disbursements through this program will be subject to performance requirements set forth in an incentive agreement, including but not limited to a period for which the business must remain in operation following the completed disbursement of funds.

For projects that require an expenditure of more than \$10,000, the City Council must adopt a resolution authorizing the project after giving the resolution at least two separate readings.
