

422 CR 4586 Winnsboro, TX. 75494

Customer: City of Mt. Vernon Utility District - Chad Pike Address: 105 Holbrook Mt. Vernon, TX. 75457 Phone: 903-975-5262 Email: cpike2181@gmail.com DATE OF BID: 9/12/2024 JOB DESCRIPTION: FF18607/18605

This quote is to install the fence in the same area as the previous quote across the West side of the property with the sliding gate across the driveway and down the South side of the property as well as adding fence along the West and North sides of the property. This fence will encompass the perimeter of the whole property. TERMS: All materials must be paid for in advance or customer must arrange payments before materials are

TERMS: All materials must be paid for in advance or customer must arrange payments before materials are picked up.

Labor charges will remain the same for 6 months once quoted, if material costs rise any time after quoted, additional expense will be incurred by the customer. Half of the Labor expense is paid on the first day of work. The second half of Labor is paid on the day of compiletion.

THE FENCE GUY and team members are not responsible for sprinkler lines or anything underground that is not marked, 8.11 will be called to locate underground utilities; however anything outside of normal utilities that are hit while digging, that were not properly marked, are the responsibility of the owner or lessee of the areanesty. property.

Any changes made to this agreement could affect the price of the overall job.
