Fax (419)-257-2457

Village Administrator Amended Report for Tuesday, April 14, 2026 Submitted Thursday, April 9, 2026

E Broadway Reconstruction

Hohenbrink has completed installation of concrete collars around many catch basins and manholes. Seeding and striping remain.

E Broadway Sidewalk (\$1,937,900 – No Local Match)

ODOT is advertising for Letters of Interest from design firms. Submissions are due April 27 at 4:30 pm. Following receipt, the Village will complete ODOT's Programmatic Consultant Selection Rating Form. Project construction is anticipated in 2029.

Main Street Corridor – Surface Transportation Block Grant (STBG) (Application opens May)

The Village has met with Kleinfelder to assist with cost estimates and preparation of a funding application for improvements along Main Street from E Broadway to SR 18.

Railroad Quiet Zone and Grade Separation

Requesting approval to issue a request for a scope and fee proposal from American Structurepoint for railroad consulting services to evaluate the feasibility of establishing a quiet zone, with the ability to support related railroad initiatives such as potential grade separation; any resulting agreement would require Council approval by resolution.

SR 18 MUP + Poe Road Sidewalk (Programmed for State Fiscal Year 2030)

A revised estimate was received removing the sidewalk on the east side of Poe Road, reducing total project cost and the local match. The Village is responsible for selecting and funding the design consultant. The current \$688,000 award is for construction only.

Stormwater Projects (Park and Reservoir)

With assistance from Cindy Brooks at GLCAP, the Village anticipates applying for funding this fall. Construction for both projects is expected in 2027.

Lead Service Line Replacement Project

The Village is awaiting availability of EPA WSRLA loan funding in April. Upon receipt, coordination with Jutte Excavating will begin to finalize contract documents in early May. Completion is anticipated later this year.

Combined Sewer Overflow (CSO) Structure Modification Project

Construction is anticipated to begin and conclude in June.

Personnel, Policy, and Procedural Manual

A meeting was held with Lexipol on Friday.

Firehouse Subs Grant

The Firehouse Subs Public Safety Foundation has awarded the Village of North Baltimore Fire Department two Super Vac PPV fans and accessories (including freight up to \$500), valued at up to \$14,000.

T-Mobile Hometown Grants program

Requested \$24,603.33 to construct a new 16' x 24' cedar Timberline park pavilion with a metal roof near the sled hill; award notifications are expected in June. If not awarded we will proceed with an application with the ODNR NatureWorks program.

JEDD Board

Appointment of the Village Administrator to the JEDD Board is requested to represent the Village.
