RECOMMENDED ACTION: Authorize the CEO or His Designee to Negotiate and Execute a Cooperative Agreement with Navistar, Inc. dba International Trucks for the Purchase of Three (3) Dump Trucks and Three (3) Service Trucks

BACKGROUND

New Braunfels Utilities (“NBU”) identified the need to purchase three (3) dump trucks and Three (3) service trucks to modernize existing service crews and equip new ones.

As a result, NBU has selected to purchase the equipment from Navistar, Inc. dba International Trucks through the Sourcewell contract number 060920_NVS (the “Contract”). NBU’s use of the Sourcewell contract satisfies the competitive bidding requirements under Texas law.

NBU staff requests that the Board of Trustees approve the Contract with Navistar, Inc. dba International Trucks. for the dump truck equipment. Due to current market conditions and long lead times, vehicles are highly susceptible to price increases during delivery. Should the final price of the approved vehicles increase upon delivery, this price increase will be reported back to the Board at the next available meeting. Under no circumstances will NBU accept delivery of a vehicle with a price increase in excess of 10%, or which causes the Fleet and Facilities department to exceed the approved Fiscal Year 2025 Capital Equipment Budget

This item is being presented to the Board because the total amount of the contract exceeds \$250,000.

FINANCIAL IMPACT

The total financial impact of the Contract for the equipment is \$813,664.71. The purchase of the equipment is budgeted in the fiscal year 2025 Capital Equipment Budget.
