

**AUTOMATED METERING
INFRASTRUCTURE AGREEMENT**

**Exhibit A1:
Pricing, Fees, and Notes**

Pricing: New Braunfels Utilities AMI – Materials

1. Equipment

Electric Meters with Integrated Communication Modules		
Item	Catalog Number	Unit Price
Form 1S-Class 100 RD I-210+C Meter with INSI NIC	SIM TO 727X188122	\$204.85
Form 2S-Class 200 RD I-210+C Meter with INSI NIC	727XC88100	\$146.30
Form 2S-Class 320 I-210+C Meter with INSI NIC	SIM TO 727X589127	\$151.45
Form 3S-Class 20 240V I-210+C Meter with INSI NIC	SIM TO 727X389120	\$148.55
Form 3S-Class 20 120V I-210+C Meter with INSI NIC	SIM TO 727X389122	\$148.55
Form 4S-Class 20 I-210+C Meter with INSI NIC	SIM TO 727X489096	\$148.55
Form 12S-Class 200 RD I-210+C Meter with INSI NIC	SIM TO 727X088121	\$184.25
Form 16S-Class 200 KV2C Meter with INSI NIC	SIM TO 787X480112	\$303.00
Form 16S-Class 320 KV2C Meter with INSI NIC	SIM TO 787X480113	\$312.00
Form 9s-Class 20 KV2C Meter with INSI NIC	SIM TO 787X980098	\$312.00
Form 9S-Class 20 KV2C Meter TQEVXKWB with INSI NIC	SIM TO 787X980099	\$527.00
Form 2S-Class 200 KV2C Meter with INSI NIC	SIM TO 787X280253	\$312.00
Form 2S-Class 200 MicroAP RD I-210+C Meter with INSI NIC	727XC88102	\$399.10

Note 1: Pricing assumes hardware lead time of 20 weeks for all Equipment.

Note 2: The price per unit will be fixed at the rate set forth through November 15, 2022 and will apply to all materials ordered by Purchaser on or before said date, unless term is renewed per Exhibit D1 at which point this Exhibit A1 will be amended with current pricing.

Note 3: Minimum order quantity of 4 per line item.

Note 4: Pricing includes standard 1-year hardware warranty on Electric Meters and Electric Meter Communications Modules.

Water Meters and Communication Modules		
Item	Catalog Number	Unit Price
Master Meter 3/4" Sonata with Itron 500W	Kit	\$260.71
Master Meter 1" Sonata with Itron 500W	Kit	\$336.50
Master Meter 2"x10" Stainless Steel Octave with Itron 500W	Kit	\$885.97
Master Meter 2"x17" Composite Poly Octave with Itron 500W	Kit	\$1,455.10
Master Meter 3"x12" Stainless Steel Octave with Itron 500W	Kit	\$1,887.45
Master Meter 4"x14" Stainless Steel Octave with Itron 500W	Kit	\$2,527.03
Master Meter 6"x18" Stainless Steel Octave with Itron 500W	Kit	\$4,011.24
Master Meter 8"x20" Stainless Steel Octave with Itron 500W	Kit	\$4,742.82
Diehl-3101085-Hydrus 5/8"X3/4" X 7.5" with Itron 500W	5222-000 Kit	\$270.35
Diehl-3101088-Hydrus 3/4"X3/4" X 7.5" with Itron 500W	5222-001 Kit	\$278.04
Diehl-3101089-Hydrus 3/4"X3/4" X 9" with Itron 500W	5222-002 Kit	\$293.42
Diehl-3101092-Hydrus 1"X1.25" X 10.75" with Itron 500W	5222-003 Kit	\$354.96
Diehl-3092454-Hydrus 1.5" X 13" with Itron 500W	5222-004 Kit	\$808.81
Diehl-3092477-Hydrus 2" X 17" with Itron 500W	5222-005 Kit	\$985.73
Neptune 5/8" T10 with Itron 500W	ED2B21RPHG21S799 Kit	\$329.50
Neptune 1" Meter with Itron 500W	ED2F21RPHG21S799 Kit	\$600.77
Neptune 1.5" Meter with Itron 500W	ED2H11RPHG21S799 Kit	\$930.53
Neptune 2" Meter with Itron 500W	ED2J11RPHG21S799 Kit	\$1,258.73
Neptune 3" Meter with Itron 500W	EC3BR7G8S799 Kit	\$4,276.31
Neptune 4" Meter with Itron 500W	EC3CRPHG21S799 Kit	\$5,520.89
Neptune 6" Meter with Itron 500W	EC3DR7G8S799 Kit	\$8,935.10
Itron 500W Water Pit Module	ERW-1601-001	\$116.50
Itron 500W Through-Lid Mounting Kit	CFG-1601-001	\$4.70
Itron 500W Through-Lid Remote Mount Antenna Kit	CFG-0900-003	\$63.75
Master Meter High Powered Interpreter Register Kit for Neptune T10 5/8" with INSI NIC	199-017-66-04	\$139.66

Note 1: Pricing assumes hardware lead time of 20 weeks for all Equipment.

- Note 2:** The price per unit will be fixed at the rate set forth through November 15, 2022 and will apply to all materials ordered by Purchaser on or before said date, unless term is renewed per Exhibit D1 at which point this Exhibit A1 will be amended with current pricing.
- Note 3:** Minimum order quantity of 4 per line item.
- Note 4:** Pricing includes standard 1-year warranty on Water Communication Modules.
- Note 5:** Use of Itron 500W modules requires the deployment of the Itron Security Manager (ISM) application, either on-premise at NBU or hosted by Itron, and payment of associated ISM License/Maintenance fees (for on-premise) or ISM SaaS Setup/Monthly fees (for hosted).

Network Infrastructure		
Item	Catalog Number	Unit Price
Cellular Access Point 5.0 – AT&T or Verizon	200-005006 (AT&T) 200-005000 (Verizon)	\$6,320.50
Antenna, Cellular AP	201-000050	\$52.50
Ethernet Access Point	200-005001	\$6,105.00
Network Battery Back Up	200-450009	\$643.75
Socket AP	20X-500005	\$1,125.00
Antenna, Socket AP, Flex Skirt	201-000089	\$30.38
7-Pin Photocell CIMCON	390-000590	\$134.00
7-Pin Photocell SELC	390-000031	\$134.00
Bridge Master 5.0 Kit	205-005000 Kit	\$6,477.90
Bridge Remote 5.0 Kit	205-005001 Kit	\$3,856.15

- Note 1:** Pricing assumes hardware lead time of 20 weeks for all Equipment.
- Note 2:** The price per unit will be fixed at the rate set forth through November 15, 2022 and will apply to all materials ordered by Purchaser on or before said date, unless term is renewed per Exhibit D1 at which point this Exhibit A1 will be amended with current pricing.
- Note 3:** Pricing includes standard 1-year hardware warranty.
- Note 4:** Minimum quantity of 200 per Photocell line item.
- Note 5:** Purchase of Bridge Equipment requires separate Statement of Work (SOW) and payment of associated Professional Services Setup/Configuration Fees.

This is a twelve (12) month agreement with the following not to exceed amounts: \$_____; with the provision of four one-year renewals as per Exhibit D1 to be discussed 30 days before the anniversary of each year renewal.

2. Stocked Materials

Anixter will stock a four (4) month supply of electric meters and water meters with communication modules as identified in Section 1 above. Stocked quantities will be determined based on previous three (3) year purchase history by NBU, and may be adjusted accordingly depending upon consumption by NBU. NBU agrees to a thirty (30) day notice of termination, and upon termination NBU will purchase in a reasonable time the remaining stock of electric meters and water meters with communication modules. Materials to be released from Anixter stock to NBU with an approved NBU purchase order on an as-needed basis, and delivered on an Anixter truck. Special arrangements may also be made by NBU to pick up meters from Anixter warehouse.
