Subject: Project Number: SWF-2014-00047, Headwaters at the Comal (41CM204)

Mr. Mark Wolfe
State Historic Preservation Officer
Texas Historical Commission
Submitted via eTRAC

Dear Mr. Wolfe:

This letter addresses cultural resource concerns under Section 404 of the Clean Water Act associated with a proposal by the New Braunfels Utilities (NBU) to redevelop a facility called the Headwaters at the Comal in New Braunfels, Comal County, Texas (Project). This action has been assigned project number SWF-2014-00047. Please include this number in all future correspondence concerning this project.

The U.S. Army Corps of Engineers, Fort Worth District (USACE) is diligently working to resolve adverse effects to historic properties by providing the final draft Amendment to the Memorandum of Agreement (MOA) for your signature. Please find enclosed the final draft Amendment to the MOA. USACE is requesting an electronic signature on the attached page from each consulting party. USACE requests that the electronically signed page be returned as soon as available to james.e.barrera@usace.army.mil.

Please direct any questions you may have about this matter to Mr. Jimmy Barrera at (817) 886-1838.

Sincerely,
