## MEMORANDUM

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: PATRICK J. MARTINEZ, CITY MANAGER

SUBJECT: WEEKLY MEMORANDUM

DATE: March 6, 2026

---

### 1. **OHV Pilot Program – Community Education Meeting**

The City of Needles will host a community education meeting regarding the Off-Highway Vehicle (OHV) Pilot Program on **March 26, 2026 at 5:00 p.m.** in the City Council Chambers, 1111 Bailey Avenue. The meeting will provide an overview of how the OHV Pilot Program will operate within the City, including designated routes, operational requirements, and compliance expectations. Representatives from local law enforcement will also be present to discuss enforcement procedures, safety guidelines, and answer questions from residents and OHV users. This meeting is part of the City's ongoing effort to ensure the community has a clear understanding of the program prior to implementation. Residents are encouraged to attend and participate in the discussion. Please refer to the attached flyer for additional information.

### 2. **Needles Spring Classic Basketball Tournament**

The City of Needles continues to strengthen its reputation as a destination for sports tourism by hosting the **19th Annual Needles Spring Classic Basketball Tournament from March 6–8, 2026**. Games are being played at the Needles Recreation Center, Needles High School, and Desert Star Academy, bringing teams and families from across the region to compete in this long-standing community event. Pool play has been competitive and well attended, generating activity for local restaurants, hotels, and small businesses throughout the weekend. Events such as this support the City Council's goals of promoting sports and recreational tourism, activating public facilities, and strengthening Needles' identity as the Gateway to California along Route 66 and the Colorado River. Championship games conclude tomorrow, further highlighting Needles as a reliable host community for regional youth athletics.

### 3. **19th Hole Bar & Grill Now Open at Rivers Edge Golf Course**

The City of Needles is pleased to welcome the **19th Hole Bar & Grill** to the community following final approval from the San Bernardino County Department of Public Health. The project represents a **\$500,000 investment by the City to establish the restaurant at the Rivers Edge Golf Course**, adding another dining destination along the Colorado River. The City extends its appreciation to the **City Council for their leadership and investment in this project**, as well

as to Development Services Director **Kathy Raasch**, Building Inspector **Will Guzman**, Director of Golf **JJ DeLeon**, Economic Development Consultant **Michael Bracken** for his assistance in structuring the lease agreement, and business owner **Kristin Hoebel** for her investment in the community. This new restaurant supports the City Council's goals of strengthening economic development, enhancing recreational amenities, and expanding dining options for residents and visitors. The **19th Hole Bar & Grill** is now open and serving the community, and the City will coordinate a ribbon-cutting event in the near future to formally celebrate the opening.

4. **State Recognition for Red Dog Saloon & Community Engagement**

Today, staff from the office of Assemblymember Jeff Gonzalez visited Needles to present a proclamation recognizing the opening of the Red Dog Saloon and the investment made by owners Andy and Jay in the downtown district. The City appreciates the Assemblymember's support and the time his office took to travel to Needles to recognize this important local business milestone. Investments like the Red Dog Saloon contribute to the continued revitalization of the downtown corridor and strengthen the local economy. The City thanks Assemblymember Gonzalez for his leadership and partnership with the Needles community, and also extends appreciation to Jacinto for making the trip to present the proclamation. Assemblymember Gonzalez's office will also have staff present at the **4th Annual Resource & Job Fair on March 18, 2026, from 10:00 a.m. to 1:00 p.m. at El Garces Historic Train Depot**, providing residents an opportunity to connect directly with the Assemblymember's team while also meeting with employers and community partners offering job opportunities and essential services.

5. **Colorado River Round Up Rodeo – Upcoming Reminder**

The 48th Annual Colorado River Round Up Rodeo will return to Needles on **April 3–4, 2026**, at the Needles Rodeo Grounds. Hosted by the Needles Rodeo Association, this longstanding event continues to draw residents and regional visitors for a weekend celebrating western heritage, rodeo competition, and family-friendly activities. The Rodeo Store will be open at 920 W Broadway in Needles from **March 30 through April 2, 2026, from 10:00 a.m. to 4:00 p.m.**, where presale tickets and official event shirts featuring the 48th Colorado River Round Up graphic will be available. Shirts are priced at \$20 (sizes M–2X). Presale ticket prices are \$10 per day for ages 18 and over, \$5 per day for ages 6–17, and free for children 5 and under. Two-day tickets are available for \$15 (ages 18+) and \$5 (ages 6–17) and are available only at the Rodeo Store. Community members are encouraged to mark their calendars and support this historic Needles tradition. For additional information, call 760-333-5255, and please refer to the attached flyer.

6. **Jack Smith Park Boat Launch – Season Opening Tomorrow**

The City of Needles is excited to welcome residents and visitors back to the Colorado River as the Jack Smith Park Boat Launch Facility opens for the season **tomorrow, March 7, 2026**. The launch will operate on weekends throughout March, with daily access beginning **April 1** through the end of September before returning to weekend operations in October. Boaters can purchase a **\$20 Day-Use Launch Pass** or a **\$180 Annual Launch Pass** at the on-site kiosk, and residents are encouraged to secure their annual pass early—

last year all 700 passes sold out before July. With warmer weather arriving and another busy river season ahead, we look forward to seeing our community and visitors enjoying one of Needles' most popular recreational destinations. For additional information, please contact Jennifer Valenzuela at **(760) 326-2814**.

**7. Red Dog Saloon Reopening & Route 66 Utility Box Art Unveiling – Recap**

The Red Dog Saloon celebrated its ribbon cutting this past weekend, marking the reopening of one of Downtown Needles' longstanding establishments. The City of Needles thanks the Needles Chamber of Commerce for hosting the event and recognizes Jay and Andy for their investment in revitalizing this historic business following the passing of former owner Ty Cavanaugh. Their commitment represents another positive step in the continued reinvestment occurring throughout the downtown corridor. During the event, the City also unveiled the Route 66 Centennial Utility Box Art Project, transforming nine utility boxes along Historic Route 66 into vibrant public art that reflects the community's pride and connection to the Mother Road. The artwork, completed by artist Gabriel Pecina, enhances the downtown streetscape and supports the City's ongoing beautification efforts during the Route 66 Centennial year. The City also thanks Caltrans District 8 for their partnership in helping bring this project to life.

**8. Needles Little League Opening Ceremonies**

Needles Little League kicked off its 2026 season this week with Opening Ceremonies held at Ed Parry and Phillips Field. A total of 112 youth athletes, ages 4–12, are participating this season, beginning with Tee Ball and continuing through the various Little League divisions. The event brought the community together to celebrate the start of the season and recognize the importance of youth sports in Needles. During the ceremony, Needles Little League honored the legacy of Pete Rodriguez V by retiring the #5 jersey in his memory. The City also thanks Curtis Devine for his generous donation to Needles Little League in support of fundraising efforts for the Little League Shade Structure Project. The organization is currently seeking an additional \$20,000 to complete the project. Community members interested in supporting the effort may contact Josh Raley directly at (760) 220-7886.

**9. Spring Into Action – Community Cleanup Day**

This past weekend, the City of Needles successfully kicked off its spring cleanup efforts with the Spring Into Action – Community Cleanup Day held at Third Street and J Street. Approximately a dozen volunteers came out to support the effort, collecting numerous bags of debris and helping improve the appearance of this key corridor. The City provided cleanup supplies, including bags, gloves, and pickers, and we appreciate the residents and community members who took the time to participate. Their efforts reflect the strong sense of pride and community spirit that continues to make Needles a special place. The City will continue hosting additional spring cleanup opportunities throughout the month as part of our seasonal beautification efforts.

**10. Code Enforcement – Community Cleanup Efforts**

Code Enforcement continues working with property owners throughout the community to address overgrown vegetation and general property maintenance. A recent example is the downtown Nursery property, where the property owners

hired a private crew to remove overgrown vegetation and clean up the site, improving visibility, reducing potential fire hazards, and enhancing the appearance of a key downtown corridor. The City appreciates property owners who take proactive steps to maintain their properties, as these efforts directly support the City Council's goals of strengthening neighborhood pride, improving community aesthetics, and maintaining a safe and welcoming environment. To further support community cleanup efforts, the City will host its **Annual Bulky Waste Drop-Off Event on March 21, 2026, from 8:00 a.m. to 12:00 p.m.** at multiple neighborhood locations (see attached flyer for details). Residents are encouraged to take advantage of this opportunity and continue participating in the **Needles Pride initiative** as we work together to keep Needles clean, safe, and well maintained.

#### 11. **Needles Pride – Crews Continue Vegetation Removal Across City**

This week, Utility and Public Works crews continued advancing the City's **Needles Pride initiative** by addressing overgrown vegetation and improving several highly visible areas throughout the community. Crews removed two dead trees along Front Street, cleared overgrown vegetation around the railroad underpass, and completed cleanup efforts near the Historic Needles Wagon monument. Staff also focused on Train Park, where crews worked throughout the week removing weeds and overgrowth, with final cleanup scheduled for completion today. Crews also completed vegetation removal along key corridors, including N Street, K Street, and Broadway leading to the stop sign. These efforts help improve the appearance of key gateways and public spaces while supporting safety and community pride. The City continues to lead by example through the Needles Pride Program and encourages residents to assist by maintaining their properties and reporting concerns through the Needles Connect app, available on the [Google Play Store \(Android\)](#) and [Apple App Store \(iOS\)](#) or by calling 760-326-2115 (press #9).

#### 12. **Household Hazardous Waste Collection – Tomorrow**

Residents are reminded that the Household Hazardous Waste Collection event will take place **tomorrow, Saturday, March 7, 2026, from 7:00 a.m. to 11:00 a.m.** at the Needles Public Works Yard, 112 Robuffa Street. Residents may safely dispose of items such as paint, batteries, motor oil and filters, electronics, medications, and home-generated sharps in approved containers. The event is for household waste only; business waste will not be accepted. Proper disposal helps protect the environment and prevents hazardous materials from entering landfills and storm drains. For more information, residents may contact the San Bernardino County Fire Protection District Household Hazardous Waste Program or visit [www.sbcfire.org/hhw](http://www.sbcfire.org/hhw).

#### 13. **Homebound Meal Program – Community Support**

Tri-State Community Healthcare, in partnership with Route 66 Pharmacy, Colorado River Home Health, Direct Hospice, and the Needles Women's Club, will host a Homebound Meal Program for residents of Needles on **March 10, 2026**. The program provides free meals for homebound residents to help ensure members of the community with limited mobility have access to a warm and nutritious meal. The meal of the day will be a **Pulled Pork Burrito Bowl with rice and beans**, prepared by the Needles Women's Club. Homebound residents interested in participating are encouraged to register in advance, as

meals are limited and available while supplies last. Residents may register by visiting the following [link](#). For additional information, please contact [Jocelyn.Alvarado@tristateclinics.org](mailto:Jocelyn.Alvarado@tristateclinics.org).

#### 14. **PVC Needles Center – 5K Color Run (Last Chance to Register)**

Palo Verde College Needles Center will host its annual 5K Color Run & Walk Scholarship Event on **March 21, 2026**, beginning at 9:00 a.m., with check-in at 7:30 a.m. at 725 W. Broadway. This community event supports scholarships for students attending the Needles Center and helps invest in the future of local education. Registration is \$25 per participant and includes an event T-shirt, race bib, lunch, snacks, and a participation certificate, with awards for top finishers in each age category. The deadline to register and guarantee event items is **March 14, 2026**, making this the last chance to register. Last year's inaugural event welcomed **88 participants and raised more than \$8,500 to support** Needles Center students. Community members may register at <https://bit.ly/Ndls5k>. Residents who wish to support local students but are unable to participate may donate to the Palo Verde College Foundation (501(c)(3)), with proceeds benefiting scholarships for Needles Center students at [this link](#). For more information, contact **(760) 326-5033** or visit [www.paloverde.edu](http://www.paloverde.edu).

#### 15. **Needles Sunday Market – Season Extended**

The Needles Sunday Market at Santa Fe Park continues to see strong community participation and has now been extended through **April 2026**, as shown in the attached announcement. Hosted by Tumbleweed Markets Inc., the weekly market brings together residents, visitors, and local vendors offering fresh produce, baked goods, coffee, flowers, handmade items, and other locally produced goods. The market is held every Sunday from **8:00 a.m. to 12:00 p.m.** at Santa Fe Park, located at 950 Front Street. Continued participation from the community helps support small businesses, local entrepreneurs, and community engagement. The City appreciates the efforts of Tumbleweed Markets and the vendors who contribute to the success of this weekly event and encourages residents to continue supporting the market.

#### 16. **Community Events Calendar Now Live**

The City's new website now features a [Community Events Calendar](#)—a single source for community events, civic meetings, and community programs. Local organizations are invited to submit or update events through the City Clerk's Office to keep the calendar current and inclusive. Contact **Candace Clark at [cclark@cityofneedles.com](mailto:cclark@cityofneedles.com)** to participate. Residents can subscribe and sync the calendar to mobile devices for real-time updates, making it easier to stay informed and engaged.

# 1. OHMV COMMUNITY MEETING

## OFF-HIGHWAY VEHICLE (OHV) PILOT PROGRAM

### COMMUNITY EDUCATION MEETING

## LEARN ABOUT THE NEW OHV PILOT PROGRAM IN THE CITY OF NEEDLES

Join us for an informational meeting to learn how the Off-Highway Vehicle (OHV) Pilot Program will operate within the City and get your questions answered by officials

# 11. CITY LEAD BEAUTIFICATION

# NEEDLES PRIDE

Needles residents care about their community and so should you! The Needles Pride initiative is a neighborhood focus program aimed at improving the community by working in partnership with property owners, area residents, and local businesses to clean up neighborhoods and maintain compliance with City Codes.

Please take the time to evaluate your property and correct any violations you may have.

## How to Participate in the City-Wide Clean-Up

### BEAUTIFICATION

#### Maintain Landscaping

Maintain landscape in healthy condition by proper irrigating, trimming, edging, and removing weeds, and dead plants

#### Clear Storage

Outside storage including but not limited to furniture, household items, yard equipment, building material, vehicle parts, and appliances must be kept out of public eye.

#### Park in Designated Areas

Vehicles are required to be parked on existing driveways or approved surfaces. Parking is not allowed on dirt, vacant lots, front yards, or decorative landscapes.

### CODE VIOLATIONS

#### Inoperative Vehicles

Vehicles that are unlicensed, wrecked, damaged, or in disrepair may not be stored in public view.

#### Trash Containers

Trash containers shall not be stored in front yards or on sidewalks except when placed in areas of collection at the time permitted.

#### Bulky Items

Keep sidewalks clear of discarded household items such as furniture, appliances, electronics, and more. You may schedule up to three (3) bulky item pick ups per year by calling Republic Services at 928-758-9135.

If you have questions about the Needles Pride initiative contact Code Enforcement Officer Bernie Hatz at (760) 326-5700, ext. 129. You can also conveniently reach out through the Needles Connect app, available for free on Android and Apple devices. Let's work together to make Needles shine!

# 11. CITY LEAD BEAUTIFICATION

# 12. COUNTY WASTE COLLECTION EVENT

Needles Residents:

## HOUSEHOLD HAZARDOUS WASTE COLLECTION

March 07, 2026 | 7a.m. to 11a.m.

Needles City Yard, 112 Robuffa Street, Needles, CA 92363

Funded By  
**CalRecycle**

### We Accept...

- Antifreeze
- Auto & Household Batteries
- Computer Monitors, TVs
- CPUs, Printers
- Fluorescent Tubes
- Home-Generated Sharps/Needles in approved container
- Household Cleaners
- Medications – separate liquids from solids (excluding controlled substances)
- Microwave Ovens
- Motor Oil/Used Filters
- Musical Cards, Clothes Irons
- Paint Products
- Pesticides & Fertilizers
- Space Heaters, Stereos, Radios
- Telephones
- VCRs/DVD Players

### We Do NOT Accept...

- Asbestos
- Business/Commercial Wastes
- Explosives
- Medical Wastes other than sharps
- Radioactive Wastes
- Reactives
- Tire, Appliances, Furniture, Air Conditioner, etc.
- Wastes from foreclosed properties & non-profit organizations

## Take the last step! Recycle your USED MOTOR OIL and OIL FILTERS!

- Dumping used oil (or any chemical) is a crime – legally and environmentally
- Dumped oil contaminates ground water – our drinking water source
- Used oil is insoluble and can contain toxic chemicals
- Used oil kills plant and aquatic life
- One pint of used oil can create an acre-sized oil slick on surface waters

### Remember when recycling oil to...

- Drain your oil from cars, trucks, motorcycles, boats, recreational vehicles, lawnmowers, etc., into a reusable, sealable container.
- Do not dump oil on the ground, in the gutter or storm drain, or throw in the trash
- Do not mix anything with the oil (water, paint, pesticides, diesel, antifreeze or gasoline)

### Before transporting, be sure that...

- Waste is properly labeled or in its original container
- The container is no larger than 5 gallons. Transport no more than 15 gallons or 125 lbs.
- Containers are sound and not leaking
- Sharps/needles must be placed in approved containers. Sharps/needles will not be accepted in plastic bags, coffee cans, milk jugs, or soda cans
- Waste is securely placed in the back of the vehicle for safe transport

### The following guidelines apply:

- Household Hazardous Waste ONLY. No Business-Generated Waste Accepted
- San Bernardino County Residents ONLY. Identification will be required
- No Early Birds (waste brought before 7:00a.m. will not be accepted)
- Waste must be accepted by County Fire Protection District personnel
- Remain in vehicle at all times

### For questions or more information, contact:
