

CITY OF NEEDLES
Annual Accounting for Developer Impact Fees
FY 2025

DESCRIPTION OF FEES COLLECTED:

Circulation (streets, signals and bridges) System:

The development of property in the affected territory will generate additional vehicle travel. This traffic will create a need for expansion of existing streets and bridges to accommodate increased traffic from residential and other new development. Additionally, traffic signals and related facilities will need to be installed and maintained to accommodate the increased level of service on new and existing roadways. Pursuant to Article 11, Section 7 of the California Constitution, the City is empowered to enact measures that protect the health, safety and welfare of its citizens.

Water Source, Storage and Distribution System:

The development of any property in the affected territory will generate the need for additional water source, storage and distribution system capacity. Without such additional system capacity, new development will be adversely impacted in the affected territory. As a result, additional water facilities will be needed to accommodate new development. Pursuant to Article 11, Section 7 of the California Constitution, the City is empowered to enact measures that protect the health, safety and welfare of its citizens.

Wastewater Collection System:

The development of any property in the affected territory will generate the need for additional wastewater collection system and mandated connection to that system. Without such additional wastewater collection system capacity, new development will be adversely impacted in the affected territory. As a result, additional wastewater collection facilities will be needed to accommodate new development. Pursuant to Article 11, Section 7 of the California Constitution, the City is empowered to enact measures that protect the health, safety and welfare of its citizens.

Park Land Acquisition and Facilities Development:

The development of residential property in the affected territory will generate a need for additional park land acquisition and facilities development to maintain the current level of service. The City may impose by ordinance a requirement for the payment of fees to pay for the actual or estimated costs of acquiring and constructing park and recreation facilities. Pursuant to Article 11, Section 7 of the California Constitution, the City is empowered to enact measures that protect the health, safety and welfare of its citizens.
