

City of Needles, California Request for City Council Action

☒ CITY COUNCIL ☐ NPUA ☐ SARDA

☒ Regular ☐ Special

Meeting Date: September 12, 2023

Title: Firetruck Restoration

Background: The Firetruck Restoration has been ongoing for many years as donations were available. The City is completing the restoration but still needs some specialized parts such as a radiator and water pump.

We have received pricing for the anticipated parts needed from Vintage Vehicle Restorations Inc. This was the only company found that could provide the specialized parts needed for a historic preservation.

Fiscal Impact: Cost of \$18,576 for purchase from Vintage Vehicle Restorations Inc for \$16,775, sales tax payment of \$1,301 and estimated shipping costs of \$500. These costs will be funded by General Fund Reserves. Ongoing fundraising will help offset these costs.

Recommendation: Approve the single source purchase from Vintage Vehicle Restorations Inc for \$16,775, sales tax of \$1,301, and shipping estimated at \$500 for a total of \$18,576 to be funded from General Fund reserves
