MEMORANDUM

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: PATRICK J. MARTINEZ, CITY MANAGER

SUBJECT: WEEKLY MEMORANDUM

DATE: March 13, 2026

- 1. Public Works Preparing Parks and Riverfront for Summer Season**
Public Works crews continued preparing **Jack Smith Park, Bob Belt Beach Park, and Duke Watkins Park** for the upcoming summer season. Crews utilized the City's **CAT 265 Compact Track Loader**, purchased last summer for **\$107,829.94**, to clear and groom beaches along the Colorado River at Jack Smith Park. This equipment has significantly expanded the City's in-house maintenance capabilities, allowing staff to perform beach grooming, vegetation control, and right-of-way clearing more efficiently without relying on outside contractors. Crews also completed **crack sealing in the Bob Belt Beach Park area** to preserve pavement conditions ahead of increased seasonal visitation. The Water Department installed a **new backflow prevention assembly at Jack Smith Park** to protect the City's potable water system and improve reliability for irrigation and park facilities. In addition, Public Works constructed a **new curb and drainage feature at the Duke Watkins Park Splash Pad** to improve runoff management and protect surrounding landscaping. These efforts reflect the City's ongoing commitment to maintaining parks, riverfront amenities, and recreational facilities as the community prepares for the busy summer season.
- 2. Regional Roadway Improvements**
San Bernardino County has provided an update on the **Needles Highway Improvement Project – Segment 1C**, which will improve a **2.3-mile section of Needles Highway from David Drive to just north of Not'cho Road**. The project includes roadway rehabilitation and related improvements intended to enhance safety, improve driving conditions, and extend the useful life of this important corridor serving the Needles area. Construction is currently anticipated to begin **in late April 2026 and continue through August 2026**, with additional updates expected as the County finalizes the construction schedule and mobilization timeline. In addition, **Caltrans** will begin a **\$12.7 million pavement rehabilitation project on U.S. Route 95** extending from **Interstate 40 to approximately 0.5 miles north of Goffs Road**, with construction scheduled to start **March 16, 2026**, and crews working **Monday through Friday from 7:00 a.m. to 6:00 p.m.** The project will include pavement overlay, lane restriping, rumble strips, updated signage, and upgraded

guardrails to improve roadway safety and accessibility. Motorists should expect lane closures during certain operations with a pilot car assisting traffic through work zones.

3. AED Installation at Multiple City Facilities

Last December, City staff completed **CPR, AED, and First Aid training** to strengthen emergency preparedness and workplace safety. Building on that training, Public Works crews installed **Automated External Defibrillators (AEDs)** at multiple City facilities, including the **Council Chambers and the Needles Senior Center**. AEDs significantly improve survival outcomes during sudden cardiac arrest when used quickly alongside CPR. By pairing trained staff with accessible life-saving equipment, the City continues to enhance emergency response capabilities while supporting the City Council's goal of maintaining safe community facilities.

4. 19th Hole Restaurant & Bar Ribbon Cutting Celebration

The City of Needles, in partnership with the **Needles Chamber of Commerce**, will host a **Grand Reopening and Ribbon Cutting Ceremony** for the **19th Hole Restaurant & Bar at Rivers Edge Golf Course** on **March 17, 2026, at 11:00 AM**. The reopening of the 19th Hole enhances the overall experience for golfers, residents, and visitors while supporting the City's ongoing efforts to promote **recreation, tourism, and economic activity along the Colorado River and Historic Route 66**. The event coincides with **St. Patrick's Day**, and the restaurant will feature festive food and green beer specials. Community members are encouraged to attend and help celebrate this exciting addition to Rivers Edge Golf Course.

5. 4th Annual Resource & Job Fair – Next Week at the El Garces

The **4th Annual Resource & Job Fair** will take place on **March 18, 2026, from 10:00 a.m. to 1:00 p.m.** at the **El Garces Historic Train Depot**. The event will bring together **San Bernardino County agencies, employers, the Needles Housing Authority, and community partners** to connect residents with essential services. The County Assessor-Recorder-County Clerk Mobile Unit will provide certificate copies, notary services, fictitious business name filings, and property information, while the Public Defender's Office will assist individuals interested in beginning the record-clearing process. Representatives from **Assemblymember Gonzalez's office and State Senator Padilla's office** will also be onsite to assist residents with state resources. The event will include the **Active Transportation Plan Community Workshop**, allowing residents to provide input on future improvements to sidewalks, bike lanes, and pedestrian safety. Public health partners will offer vaccinations and health information, and **KTOX Radio will broadcast live from the event**.

6. Public Input Needed – OHMV Staging Area Grant Application

The City of Needles has submitted an application to the California State Parks Off-Highway Motor Vehicle Recreation Division under the **OHMVR Grants and Cooperative Agreements Program (Grant Cycle G26)** for a proposed **\$995,911 OHMV Staging Area Project**. The project is designed to support the City's **9.20-mile designated combined-use OHMV route network**, which connects Bureau of Land Management trail systems with lodging, fuel, and service facilities within Needles. If funded, the staging area would help

consolidate trailer parking, improve roadside safety and access, protect surrounding soils and habitat by concentrating use, and provide ADA accessibility and sanitation facilities for riders and visitors. **Public input is an important component of the grant scoring process**, and community comments help demonstrate support for the project. The public comment period is open **March 3 through May 4, 2026**. Individuals wishing to provide comments may visit <https://olga.ohv.parks.ca.gov/egramsohmvr>, select **“Review Preliminary Applications,”** and choose **“City of Needles”** to view the proposal and submit comments.

7. **VA Loma Linda Visit – HUD-VASH Veterans Housing Partnership**
Earlier this week, the City Manager, serving as **Executive Director of the Housing Authority of the City of Needles**, along with **Housing Manager Angelica Deermer**, met with representatives from the **U.S. Department of Veterans Affairs at VA Loma Linda**. The visit focused on strengthening partnerships under the **HUD-VASH Veterans Housing Program** and encouraging referrals of veterans seeking stable housing opportunities in Needles. Staff highlighted available housing units and the community support network that helps veterans transition into permanent housing. The Housing Authority currently has **HUD-VASH vouchers available** and is ready to assist veterans seeking housing. Please contact the Housing Authority of the City of Needles at **760-326-3222** or visit **908 Sycamore Drive** for assistance.
8. **Mayor Janet Jernigan Recognized as Woman of Distinction**
Mayor **Janet Jernigan** was recently honored by **Assemblymember Jeff Gonzalez** as a **2026 Woman of Distinction for Assembly District 36** during a regional recognition ceremony held in Brawley. Assembly District 36 spans a large and diverse region—from **Indio and Anza to Needles, Blythe, and Imperial County**—making this recognition especially significant. The honor highlights the positive impact of local leadership and further elevates the visibility of the City of Needles within regional discussions. The City congratulates Mayor Jernigan on this well-deserved recognition and thanks Assemblymember Gonzalez for his continued partnership and support.

10. **Leadership Development Training Completion**
The City would like to recognize **Housing Manager Angelica Deermer, Senior Code Enforcement Officer Bernie Hatz, Public Works staff Ken Mann and David Calderon, and Billing Office Manager Kimberly Krasinski** for successfully completing their **Leadership Development Training Program**. Their commitment to professional growth reflects the dedication of our staff to strengthening the organization and improving service to the community.

Investing in leadership development helps ensure the City continues to operate effectively while building the next generation of leaders within the organization.

Games were played at the Needles Recreation Center, Needles High School, and Desert Star Academy, with **68 games** held throughout the weekend. The tournament brought families and visitors to the community, generating activity for local hotels, restaurants, and small businesses while supporting the City Council’s goals of promoting sports tourism and activating public facilities. Congratulations to the **Needles 7/8th Grade Girls team** for winning the tournament, and to the **Needles 5/6th Grade Girls** and **Needles 3/4th Grade Girls** teams for earning **3rd place finishes** in their respective divisions. The tournament highlighted the growing role of Rivers Edge Golf Course as a community gathering place and showcased recent investments at the facility, including the **19th Hole Bar & Grill**. The City appreciates the Chamber of Commerce, event sponsors, volunteers, and participants who helped make this year’s tournament a successful community event and continued to promote Needles as the **Gateway to California along the Mother Road**.

14. Flip Mendez Youth Fundraiser Golf Tournament

The **27th Annual Flip Mendez Youth Fundraiser Golf Tournament** scheduled for **May 2, 2026, at Rivers Edge Golf Course** is officially **sold out**, reflecting the strong community support for this long-standing event. Phone (760) 927-2220

Dear Sponsor,

We are proudly preparing for the annual Flip Mendez Youth Fundraiser Golf Tournament which will be our 27th ANNUAL and is scheduled for May 2, 2026.

As you may know, Flip Mendez had a passion for helping young people and their families, and often quietly paved the way for many to participate in community sports leagues, and other activities. The Flip Mendez Youth Fundraiser Golf Tournament was established to assist children by sponsoring them so that they may play sports and provide new equipment that is needed. We do not want any child to go without playing sports due to financial hardship. The Flip Mendez Youth Fund is here to assist any child that needs help. The Flip Mendez Committee has continued Flip's legacy of generosity in the community where he grew up and raised his own family. The Flip Mendez Youth Fund is a Tax Exempt, Non-Profit Organization; our Tax ID # is 47-3448436.

In the past, you were a generous sponsor of this event, and your contribution is much appreciated and needed.

In previous years, we were able to accomplish the following:

- ❖ Sports scholarships for over 340 kids
- ❖ Scholarships for Graduating seniors
- ❖ Generous Donations to the NHS Baseball, CRAGS, Volleyball, Softball, Basketball, Football along with Pee Wee Tee-Ball, Pee Wee Basketball, Needles Little League, Pop Warner Football, Cheer and many other sports donations.

Your faithful support of this event is appreciated by the Mendez family, the Tournament Committee, and the citizens of the community. **You may choose to be a \$75 Hole Sponsor or sponsor multiple holes. (A sign will be placed on a hole with business' name on it for however many holes you sponsor.)** You may also choose to sponsor any dollar amount you wish, just fill out the form and put the amount you wish to donate. We have included a *Hole Sponsor Request Form* and a *Team Registration Form* for your convenience. Please let us know if we can count on your generous support again this year.
