Re: Statement of Need TeamCalifornia Community Scholarship

Dear Ms. Reimold:

Thank you for the opportunity to apply for a TeamCalifornia Community Scholarship.

As a City of about 6,000 people, we actively seek opportunities to leverage our economic development budget and resources into activities that enhance employment opportunities while building our tax base. As our resources are limited, the opportunity to participate as a member of TeamCalifornia through the Community Scholarship Program is welcomed and appreciated.

With the beginning of a new partnership, I will be asking our economic development consultant (Michael Bracken of Development Management Group, Inc.) to actively participate in TeamCalifornia and work to bring new economic investment to our community. Our hope is that this one-year Community Scholarship will lead to beneficial investment into the City and region and result in additional investment on our part in the future.

Thank you again for this opportunity. Please feel free to contact me if I can provide any additional information.

Sincerely,
City of Needles

By: Patrick Martinez, City Manager
