Management's Responsibility	Management has primary responsibility for the accounting principles used, including their consistency, application, clarity and completeness.
Significant Accounting Policies	The Authority's significant accounting policies are appropriate, and management has applied its policies consistently with prior periods in all material respects. The Authority implemented GASB Statement No. 96 – <i>Subscription-Based Information Technology Arrangements (SBITAs)</i> and GASB Statement No. 94, - <i>Public-Private and Public-Public Partnerships (PPPs) and Availability Payment Arrangements (APAs)</i> , during the fiscal year ended June 30, 2023.
Controversial issues	No significant or unusual transactions or accounting policies in controversial or emerging areas for which there is lack of authoritative guidance or consensus were identified.
Basis of Accounting	The financial statements were prepared on the assumption that the Authority will continue as a going concern.

Audit Adjustments	Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Authority are shown on the Summary of Recorded Audit Adjustments. The Authority's financial statements as of and for the year ended June 30, 2022 have been restated due to the change in the recognition of prepayments made in fiscal years 2020, 2012 and 2013 totaling \$1,000,000 to the purchase obligation.
Disagreements with Management	We encountered no disagreements with management on financial accounting and reporting matters as it relates to the current year financial statements.
Consultations with Other Accountants	We are not aware of any consultations management had with other accountants about accounting and auditing matters.
Conditions of Retention	No significant issues were discussed, or subject to correspondence, with management prior to retention.

/ Required Communication to Those Charged with Governance, Continued

Difficulties with Management	We did not encounter any difficulties with management while performing our audit procedures that require the attention of the Board.
Material Weakness and Significant Deficiency	A significant deficiency on internal controls over inventories was identified related to the controls in place in relation to withdrawal and purchases of inventories, and update of inventory unit cost. No material weaknesses in internal controls were identified. Details of the significant deficiency noted is included in the SAS114 Conclusion letter.
Irregularities, Fraud or Illegal Acts	No irregularities, fraud or illegal acts or that would cause a material misstatement of the financial statements, came to our attention as a result of our audit procedures.
Management Representations	The Authority provided us with a signed copy of the management representation letter at the end of the audit and prior to our issuance of the report on financial statements.
