Honorable Mayor & Council Members,

I've received notice that my term on the Board of Public Utilities will be expiring as of December 31, 2024. Unfortunately, I have a conflict with another public duty responsibility on December 10 that I'm unable to get out of so won't be able to attend the City Council meeting, but by way of this letter, I would respectfully request reappointment for another four year term. I've served on this Board since 2018 and I feel that I've gained substantial knowledge of the issues facing the utilities, knowledge that I hope will continue to be of benefit to my fellow Board Members and the City Council.

I thank you for your consideration.

Respectfully,

Jon McNeil

Honorable Mayor & City Council Members,

My term on the Board of Public Utilities will be expiring December 31, 2024, and I'd ask for your consideration for reappointment for another term. I currently serve on the Board's Alternative Energy Ad-Hoc Committee and would like to continue to be a part of energy solutions that will be economically beneficial to our residents while complying with the many State mandates. As a Member of the Utility Board since 2009, I feel that my contributions have benefitted my fellow Board Members.

I thank you in advance for your consideration of my request for reappointment.

Respectfully,

Stephen Moffitt

Mrs. Mayor and City Council

My name is Lorie Long. I have lived in Needles for the past 21 years. I've been on the Parks and Recreation Commission since 2020. In the past 4 yrs I've learned so much about our city. It was a honor to be a part of the wonderful improvements made so far to our parks. I would like to continue to be on the Parks and Recreation commission to help make Needles a better place to live.

Sincerely Lorie Long
