General Fund Guarantee Certification (19)
For Third-Party capital improvement activities, the City understands that reimbursements received from the County for which no measurable outcome is achieved may subsequently be required to be repaid by the City (using non-federal funds) to County. Measurable outcomes are defined as providing benefits to low- to moderate-income individuals, families, organizations, and communities and are derived from the project or program.

The City agrees to enter into a "General Fund Guarantee" in order for the County to recommend activity funding.
