Needles, CA 96363

To: CITY OF NEEDLES

The Needles Church of Christ is interested in acquiring the small unused portion of "O" Street that lies south of Market Street and dead ends at the Interstate 40 right of way. This street adjoins our parking lot and is needed for additional parking and to assure continued access to the parking lot from "O" Street.

We are willing to pay fair market value and reasonable costs incurred.

Thank you for any consideration you may be able to give to this matter.
