City Manager Patrick J. Martinez

MEMORANDUM

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: PATRICK J. MARTINEZ, CITY MANAGER

SUBJECT: WEEKLY MEMORANDUM

DATE: September 5, 2025

1. **Palo Verde Community College District Meeting**

The Palo Verde Community College District (PVCCD) Board will hold its Regular Meeting on Tuesday, September 9, 2025, at 5:00 p.m. The primary location is One College Drive, Blythe (CL 101), with a local teleconference site available at the PVC Needles Center, 725 W. Broadway. On the agenda is Resolution 09.09.25-13.1, a proposed censure of Trustee Jon McNeil. A copy of the resolution and staff report is attached for reference, along with City Council Resolution 2025-9. Censure is a formal statement of disapproval adopted by majority vote; it carries no penalties but serves as an official public record. This discussion comes as PVCCD continues evaluating the long-term sustainability of the Needles Center, including funding, program equity, and future planning—making local participation especially important. Residents may attend in Blythe or at the Needles Center, or submit written comments to pvc-presidentsoffice@paloverde.edu (cc: naomi.alaniz@paloverde.edu) by 12:00 p.m. on the day of the meeting. This notice is provided to keep the council informed and engaged in decisions that directly impact Needles.

2. **Rider Appreciation Day- Fort Mohave/Bullhead Shuttle Launch**

On September 4, 2025, the City of Needles and SBCTA hosted Rider Appreciation Day to launch the new Fort Mohave/Bullhead Shuttle. Held at the El Garces West Parking Lot, the event offered free rides on Needles Area Transit, Dial-A-Ride, and the new shuttle, along with refreshments, giveaways, and information on expanded transit options. Mayor Jan Jernigan, Councilmembers Henry Longbrake and Larry Ford, City staff, and dozens of residents participated. SBCTA highlighted the strong community response and the dedication of the Needles Area Transit (NAT) team, underscoring the value of rural transit systems. The shuttle advances Council's goal to improve regional connectivity and enhance quality of life. Reservations are required by 11:00 a.m. the prior day and can be made by calling 760-326-4789. A flyer with details is attached. Refer to the attached photos for a glimpse of the event.

3. **City Crews Respond to Major Thunderstorm**

On September 4, 2025, a severe lightning storm caused widespread damage and flooding across the City of Needles, prompting an immediate and coordinated response by City crews. Staff worked throughout the day to clear downed trees and roadway debris, restoring safe conditions for residents and visitors. Several roadways, including Needles Highway, N. K Street, L Street, Broadway, and Bailey Street, experienced flooding, and barricades were placed for public safety. The Needles Underpass on N. K Street and National Trails Highway were closed due to high water, and motorists are urged to use alternate routes and avoid driving through standing water. Residents can report concerns by calling 760-326-5700 (press #9) or using the Needles Connect app on [Google Play Store](#) (Android) and [Apple Store](#) (iOS). Together, we're building a safer, stronger Needles!

4. **Water Department – Targeted Service Replacements & Leak Response**

On Thursday, September 4, 2025, Water Department crews replaced a 45-foot section of 1-inch service on D Street after recurring leaks, renewing the entire line to prevent future failures. This week, crews also isolated and repaired a separate leak on Lillyhill, restoring reliable service. Temporary pavement patches are in place; permanent asphalt/concrete restoration is scheduled. Our teams work diligently to minimize outage times and customer impacts. These targeted repairs reduce water loss, cut service interruptions, and extend asset life—directly advancing Council goals to enhance infrastructure, improve services, and strengthen quality of life for residents and businesses.

5. **Electric Department – Park LED Upgrades Program**

City staff is advancing the phased LED replacement program in our parks. Work began at **Jack Smith Park** and, this week, crews focused on the **Duke Watkins Dog Park**, removing failed fixtures and upgrading them to long-life LED lighting. These improvements boost night-time visibility and safety, cut energy use and maintenance costs, and improve reliability—directly supporting Council goals to enhance infrastructure, improve services, and strengthen quality of life. Next locations are being queued as materials arrive. Residents can report light outages by calling 760-326-5700 (press #9) or using the Needles Connect app on [Google Play Store](#) (Android) and [Apple Store](#) (iOS). Together, we're building a safer, stronger Needles!

6. **Investing in People to Deliver Quality Infrastructure and Services**

We are proud to congratulate Trey Tsosie on earning his Water Treatment Operator Certification Grade 2, Ronny Summers on earning his Water Distribution Operator Certification Grade 2, and Albert Ponce on earning his Water Treatment Operator Certification Grade 1. These achievements reflect the dedication of our team and strengthen the City's capacity to serve residents and business owners alike. The City of Needles remains committed to investing in professional development to ensure staff have the expertise to support Council goals of enhancing infrastructure, improving services, and strengthening quality of life for our community. As the City continues to add critical

infrastructure—such as the new treatment plant system—staff certifications are essential to ensuring our systems are operated and maintained to the highest standards.

7. Electric Yard Building – Nearing Completion & October Ribbon Cutting

Staff is pleased to report the Electric Yard Building on California is approaching completion, with a ribbon cutting planned for October. Since delivery, the project has progressed from steel framing to finished concrete pad and driveway, with equipment on site and final fit-out underway. This \$673,552 investment replaces temporary storage with a permanent, climate-resilient facility—protecting high-value utility assets from heat and weather, extending equipment life, reducing long-term replacement costs, and improving operational readiness. The project advances Council goals around infrastructure modernization, asset preservation, and service reliability. Event details for the ribbon cutting will follow.

8. Needles Animal Shelter Adoption Program

The Needles Animal Shelter is home to many loving pets eager to become part of a caring family. Through our adoption program, we are committed to enhancing the lives of animals in our community and helping them find their homes forever. If you're considering adding a furry friend to your family, the adoption fee is just \$59. Our team is ready to guide you through the process and help you meet the perfect pet. Contact us today at 760-326-4952 to learn more about our adoption process or to schedule a visit. We're available Monday through Friday from 8:00 AM to 2:00 PM. Take a look at the attached flyer featuring Hazel, Roxie, Gigi, Beamer, Prince, Princess, Rocket, Paula and Moose—all adorable pets waiting to meet you. These wonderful companions are ready to bring joy and love into your life. Let's work together to give these animals the safe, caring homes they deserve!

9. Rivers Edge Golf Course Closed for Overseed

City staff met with KemperSports, managers of the Rivers Edge Golf Course, and commend JJ DeLeon and his team for elevating the facility into a championship-caliber course. This weekend is the last chance to play before overseeding and fall preparations. When the course reopens in October, tournaments include the Mohave Storm Shootout (October 25, 2025), Turkey Trott Scramble (November 22, 2025), Jason Smith Memorial Golf Outing (December 6, 2025), and January Blues Golf Tournament (January 17, 2026). These events feature scramble formats, prizes, and strong community participation, reinforcing Rivers Edge as a premier golf destination. Don't miss your chance—reserve your spot today at 760-326-3931 or www.golfneedlesca.com. To host a tournament, contact JJ DeLeon at 760-326-3931.

10. Needles Women's Club Fundraiser – Pulled Pork Elote Bowl

The Needles Women's Club is hosting its monthly lunch fundraiser to support women's empowerment, youth activities, scholarships, and civic initiatives. As a 501(c)(3) nonprofit, the Club depends on community support to continue making

a difference. Enjoy a delicious **Pulled Pork Elote Bowl with dessert for \$10**. Please place your order online at [this link](#) by **6:00 p.m. on Monday, September 8, 2025**. If you have trouble ordering, call or text Karrie at **928-201-1836**. Orders may be picked up at the **Needles Women's Club, 305 W. Broadway St., Needles, CA 92363**, or delivered within Needles for groups of three or more. Don't miss the chance to enjoy a delicious meal while supporting your local Women's Club!

11. Reminder: Fall Youth Sports Registration Closes September 12, 2025

The City of Needles Parks & Recreation Department is accepting registrations for fall youth sports through Friday, September 12, 2025. This season includes Peewee Soccer (ages 6–7), Jr. Peewee Soccer (ages 3–5) with games on Saturdays, Flag Football (grades 2–5) with games on Tuesdays and Thursdays, and Volleyball (grades 3–6) with games on Mondays and Wednesdays. Fees are \$45 for residents / \$50 for non-residents (Jr. Peewee Soccer is \$35 / \$40). Sibling discounts are available, and scholarships may be offered for qualifying families. Games run from early October through late November. Register now or get more information by calling (760) 326-2814 or emailing parksandrecreation@cityofneedles.com.

12. Reminder: Fall Spay & Neuter Clinic – September 25–26

The Needles Animal Shelter will host its Fall Spay and Neuter Clinic on September 25 and 26 in partnership with Dr. Angelina Beeks of Angels Touch Mobile Vet. The clinic is by appointment only, and a non-refundable deposit is required to reserve a spot. Applications and deposits must be submitted in person at the Needles Animal Shelter, located at 1662 Flip Mendez Parkway. This bi-annual clinic is always in high demand and typically fills quickly, so early registration is strongly encouraged. For more information or to schedule an appointment, residents may call the shelter at (760) 326-4952. This important program supports public health, promotes responsible pet ownership, and advances the City's broader animal welfare goals. Please refer to the attached flyer for additional details.

13. Needles Welcomes Visitors for a Safe and Busy Holiday Weekend

The City of Needles had a successful Labor Day Weekend, aligning with Council goals to boost tourism and enhance recreational activity on the Colorado River. Jack Smith Park boat launch and local restaurants reported strong turnout, with both residents and visitors enjoying the holiday along the river. To support public safety, the San Bernardino County Sheriff's Colorado River Station conducted its annual Marine Enforcement Operation from August 29 through September 1, 2025. The operation deployed 10 patrol vessels, an OHV team, and a Sheriff's helicopter. Results included 124 enforcement stops, 10 arrests for boating under the influence, 84 citations issued, and three boating accidents reported downstream. We thank the Sheriff's Department for their continued partnership in ensuring a safe and enjoyable holiday weekend for our community and visitors.

14. SBCSD/Needles Police – 6th Annual Trunk or Treat

The San Bernardino County Sheriff's Department/Needles Police will host its 6th Annual Trunk or Treat on Thursday, October 30, 2025, from 4:00–6:00 p.m. at the Recreation Center parking lot, 1705 J Street, Needles, CA 92363. This family-friendly event brings residents together for a safe, festive evening with candy, community booths, and local partner agencies. For participation or questions, contact Officer Misty Hunt at (760) 326-9200. See the attached flyer for details.

15. St. Vincent de Paul Fundraiser Dinner (Venue Changed to Elks Lodge)

The St. Vincent de Paul Society of Needles has requested support in helping promote their Annual Fundraiser Dinner, scheduled for Saturday, November 15, 2025, at the Elks Lodge, 1000 Lillyhill Dr., Needles, CA. The event will feature a buffet dinner, silent auction, 50/50 drawing, and patriotic theme. Proceeds will directly benefit the Needles food pantry and support the restoration of the Society's building. Tickets are \$50 per person or \$400 for a table of eight, available at 839 Front Street, Needles, or by calling 760-326-4420. In addition, the Society will host an Open House on Monday, January 12, 2026, at 5:00 p.m. to showcase building upgrades and provide a look at local pantry operations. Council support is encouraged, whether by attending, donating to the silent auction, or helping share the event throughout the community.

16. Community Events Calendar Now Live

The City's new website now features a [Community Events Calendar](#)—your go-to source for what's happening in Needles. From festivals to meetings, it's designed to keep residents and visitors connected. Local organizations are invited to submit or update events through the City Clerk's Office to keep the calendar fresh and inclusive. Contact Candace Clark at cclark@cityofneedles.com to participate. Together, we can showcase the best of Needles and strengthen community spirit.

1. PALO VERDE COLLEGE

Agenda Item Details

Meeting	Sep 09, 2025 - Regular Board Meeting
Category	13. Action Items - Miscellaneous
Subject	13.1 Consideration and Potential Action on Proposed Censure Resolution of Trustee McNeil
Type	Action
Recommended Action	This Censure Resolution is being presented to the Board without staff recommendation.

BACKGROUND INFORMATION

On January 14, 2025, Resolution No. 2025-8 was presented to the City Council of the City of Needles. The resolution's title was "A Resolution of the City Council of the City of Needles, California, Supporting Enhanced Investments, Equitable Services, and Workforce Development Programs by the Palo Verde Community College in the Needles Community."

Resolution No. 2025-8 contained many statements which were damaging to the Palo Verde Community College District ("District"). Additionally, several of the statements in Resolution No. 2025-8 were inaccurate, lacking relevant context, or otherwise misleading.

On January 28, 2025, the Board convened a Special Meeting/Study Session regarding Resolution No. 2025-8. At this meeting, Trustee Jon McNeil informed the Board that he and an employee of the District, had contributed to Resolution No. 2025-8. The District's Superintendent/President, Dr. Bruce Moses, requested authority to initiate an investigation into the involvement of District officials in preparing the resolution. The Board granted his request.

The investigation initiated by Dr. Moses found that Trustee McNeil engaged in the following conduct: On January 2, 2025, Trustee McNeil received a draft of Resolution No. 2025-8 from Needles City Manager Patrick Martinez. City Manager Martinez informed Trustee McNeil at this time that the resolution would be placed on the City Council's agenda and requested Trustee McNeil's input on the resolution. Trustee McNeil did not provide any new information to City Manager Martinez; however, Trustee McNeil provided revisions to the draft resolution to reduce what he described as "inflammatory language."

Trustee McNeil's description of the draft resolution's language as "inflammatory" showed that he understood it to be potentially damaging to the District. Though Trustee McNeil understood the draft resolution's contents to be potentially damaging, he did not inform Dr. Moses or the Board in advance that the resolution would be placed on the City Council's agenda and discussed publicly. By offering his input on the draft resolution without informing Dr. Moses or the Board, Trustee McNeil tacitly approved of the information therein without taking measures to confirm its accuracy or context.

By failing to inform Dr. Moses and the Board about Resolution No. 2025-8, Trustee McNeil also deprived them of the opportunity to communicate their concerns about the information therein to the City prior to the January 14 City Council meeting. As such, Trustee McNeil did not work with Dr. Moses and the Board so as to enable them to take measures to address the risk of unfair harm to the District's reputation.

Once the investigation report was final, and at the recommendation of legal counsel, President Styers created an ad hoc subcommittee, consisting of President Styers and Trustee Arneson, pursuant to BP 2715 to review the findings and conclusion of the investigation and therefore make recommendations to the full Board for action or no action. The Board's ad hoc subcommittee recommends the Governing Board adopt the attached proposed Censure Resolution of Trustee McNeil based on the conclusion of the Oppenheimer Investigations Group, LLC investigation.

DISCUSSION

Censure is a formal action of a legislative body to declare its disapproval or condemnation of particular conduct. There is no express authorization in law for censure. It is a proceeding that exists by custom in CA for elected bodies. A legislative body is deemed to have inherent authority to express approval or disapproval regarding the conduct of its members. Any behavior that reasonably relates to a member's discharge of his/her office is potentially subject to censure by the legislative body, including conduct that is merely rude, discourteous, or offensive. No material penalty or adverse consequence result from censure itself—only possible public reproach or criticism outside of possible local action by the body on local practices.

Censure is implemented by a majority vote of the Board by means of a "Censure Resolution." Since a legislative body may not act arbitrarily or capriciously, the Resolution shall contain specific findings based on information presented to the Board which supports the decision to censure one of its members.

A Censure Resolution is presented to the Board by the Board President. An opportunity is provided for public comment. A motion to censure the member must be made and seconded based on the recitals in the Resolution. The motion is then discussed and voted upon by the entire Board, including the member who is the subject of the motion. If necessary, the Board may also choose to amend the proposed resolution. The Board member who is subject to the Resolution shall be entitled to respond to the information contained in the Resolution or he may have a representative speak on his behalf subject to reasonable time limitations set by the Board President.

**BOARD OF TRUSTEES
PALO VERDE COMMUNITY COLLEGE DISTRICT**

RESOLUTION NUMBER 09.09.25-13.1

CENSURE OF BOARD MEMBER JON MCNEIL

WHEREAS, the Palo Verde Community College District (“District”) Board of Trustees is committed to the effective leadership and operation of the District; and

WHEREAS, the Board has established and adopted a Code of Ethics and Standards of Practice for the Board, as set forth in Board Bylaw 2715, including the requirement that Board members shall work with other Board members “in a spirit of harmony and cooperation in spite of differences of opinion”; and

WHEREAS, Board Bylaw 2715, further provides that Board members must “maintain the highest standards of conduct and ethical behavior,” must base their decisions on available facts, “unswayed by partisan bias of any kind,” and must be aware that they are “responsible to all citizens of the District” and not solely those who elected them; and

WHEREAS, Board Bylaw 2715 provides that complaints of Board member misconduct “will be referred to an ad hoc committee composed of two (2) Board members not subject to the complaint.” After the ad hoc committee has reviewed and completed its fact-finding process, it shall report its findings to the Board for action, and may make a recommendation to the Board President or the Board as a whole; and

WHEREAS, on January 14, 2025, Resolution No. 2025-8 was presented to the City Council of the City of Needles. The resolution’s title was “A Resolution of the City Council of the City of Needles, California, Supporting Enhanced Investments, Equitable Services, and Workforce Development Programs by the Palo Verde Community College in the Needles Community”; and

WHEREAS, Resolution No. 2025-8 contained many statements which were damaging to the District. Additionally, several of the statements in Resolution No. 2025-8 were inaccurate, lacking relevant context, or otherwise misleading. It stated that the District faced “significant challenges” at its Needles Center, including a lack of in-person counseling, course cancellations threatening students’ FAFSA eligibility, and declining enrollment jeopardizing the District’s financial stability. It also stated that the District has “no clear goals or vision” for its Needles Center, that the District has not used funds equitably to benefit the Needles Center, and that the District’s reserves were projected to be depleted within three years; and

WHEREAS, on January 28, 2025, the Board convened a Special Meeting/Study Session regarding Resolution No. 2025-8. At this meeting, Trustee Jon McNeil informed the Board that he and an employee of the District, had contributed to Resolution No. 2025-8. The District’s Superintendent/President, Dr. Bruce Moses, requested authority to initiate an investigation into the involvement of District officials in preparing the resolution. The Board granted his request; and

WHEREAS, the investigation initiated by Dr. Moses found that Trustee McNeil engaged in the following conduct: on January 2, 2025, Trustee McNeil received a draft of Resolution No. 2025-8 from Needles City Manager Patrick Martinez. City Manager Martinez informed Trustee McNeil at this time that the resolution would be placed on the City Council's agenda and requested Trustee McNeil's input on the resolution. Trustee McNeil did not provide any new information to City Manager Martinez; however, Trustee McNeil provided revisions to the draft resolution to reduce what he described as "inflammatory language"; and

WHEREAS, Trustee McNeil's description of the draft resolution's language as "inflammatory" showed that he understood it to be potentially damaging to the District. Though Trustee McNeil understood the draft resolution's contents to be potentially damaging, he did not inform Dr. Moses or the Board in advance that the resolution would be placed on the City Council's agenda and discussed publicly. By offering his input on the draft resolution without informing Dr. Moses or the Board, Trustee McNeil tacitly approved of the information therein without taking measures to confirm its accuracy or context; and

WHEREAS, by failing to inform Dr. Moses and the Board about Resolution No. 2025-8, Trustee McNeil also deprived them of the opportunity to communicate their concerns about the information therein to the City prior to the January 14 City Council meeting. As such, Trustee McNeil did not work with Dr. Moses and the Board so as to enable them to take measures to address the risk of unfair harm to the District's reputation.

WHEREAS, by the foregoing conduct, Trustee McNeil violated the principles and expectations set forth in Board Bylaw 2715 to work in a spirit of harmony and cooperation with other Board members; and

WHEREAS, Trustee McNeil is the only Board member from Trustee Area 2, San Bernardino County, where the Needles Center is located. Resolution No. 2025-8 calls for the District to invest more in the Needles Center, notes that Needles property owners have made "significant financial contributions" to the District, and states that greater investment in the Needles Center would be "equitable" in light of this. By providing his input on a resolution which specifically benefited the City of Needles without involving Board members from any other Trustee Areas, Trustee McNeil failed to act for the benefit of the District's whole constituency and created an appearance of improper bias; and

WHEREAS, Board members, as public officials, are expected not to place themselves in positions in which any personal bias may impact their decisions. By the foregoing conduct, Trustee McNeil violated the principles set forth in Board Bylaw 2715 to maintain the highest standards of conduct and ethical behavior and make unbiased decisions based on his responsibility to the District's whole constituency; and

WHEREAS, pursuant to BP 2715, any Board member determined to have violated BP 2715 shall be subject to appropriate disciplinary action, which may include Resolution of Censure by the Board of Trustees.

NOW, THEREFORE, BE IT RESOLVED that the Palo Verde Community College District Board of Trustees does hereby censure Trustee Jon McNeil for the deficiencies in conduct cited above, in violation of the Bylaws, principles, and/or expectations of the Board; and

BE IT FURTHER RESOLVED that the Palo Verde Community College District Board of Trustees hereby removes Trustee Jon McNeil from all committees and appointments for the 2025-2026 school year; and

BE IT FURTHER RESOLVED that the Palo Verde Community College District Board of Trustees does hereby demand that Trustee Jon McNeil henceforth endorse, adopt, and abide by the Board's adopted policies establishing its Governance Standards, Conflict of Interest policy, and all other Bylaws and Policies of the Board.

PASSED AND ADOPTED by majority vote of the Board of Trustees of the Palo Verde Community College District, County of Riverside, California, on September 9, 2025, at a duly noticed meeting thereof.

(Record Individual Votes by Name)

AYES: _____

NOES: _____

ABSTAIN: _____

President
Board of Trustees

The foregoing is a true copy of the resolution adopted by the Board of Trustees of the Palo Verde Community College District at a meeting held on September 9, 2025.

Sunrise yesterday as seen in [City Of Needles, CA](#). Thanks for coming out to the [San Bernardino County Transportation Authority's](#) Rider Appreciation event. We got to see Mayor Jan Jernigan, City Manager, [Patrick Martinez, MPL, ACE](#), and City Council folks Henry Longbrake and Larry Ford, along with dozens of riders who enjoyed free fares and learned about Needles' many transportation options. This little place has a special spot in my heart--I'll always be cheering for people like Cheryl Sallis and these small-urban transit systems that give their all.
