New Castle Resident, Climate and Environmental Commission Member

April 10, 2024

Dear New Castle Town Council Members:

In February 2024, the New Castle Town Council appointed me to take over an empty seat on the New Castle Climate and Environment Commission. The term ends this month and I would like to join for the next term.

Like many in New Castle, I moved here for the outdoor beauty and would like to do what I can to sustain and improve our community. We can all do our part to reduce negative impacts on the climate. I also feel that civic service is an important contribution to our community.

I work from home and have flexibility in being engaged in meetings and other work of the commission.

Thank you for your consideration.

Sincerely,

Sharon Morris
