Mandi,

My name is Derek, I am the owner of West Canyon Nurseries just east of town. Bruce Leland approached me at the last chamber of commerce meeting and said that there was an opening on this committee. I'd love to volunteer for it.

A little background on me: we bought the farm in 2018 and my wife and I run the business together. We are a full service nursery/garden center serving the roaring fork valley mainly. We enjoy being involved in the community and I would love to participate in the committee.

If you need anything else from me please reach out.

Thanks,
