

At this time, Macomb County does not have information on exact CDBG funding levels for the 2025 Program Year (PY). Community applications should be compiled using the figures shown in this chart. The County reserves the right to adjust funding allocations based on the actual amount of the 2025 PY CDBG grant.

**Column (C) - This column represents that maximum amount that a community may allocate to public services. Note that the Chore allocation shown in column (B) has already been deducted from the community's public service cap amount shown in Column (A).**

**Column (C) indicates the amount of funding needing approval through the community's public hearing. For example, the City of Eastpointe's starting public service allocation is \$38,400 (A). Chore funding of \$14,800 (B) is then deducted from this amount leaving the City with \$23,600 (C) to allocate to all public service activities.**

**For communities that are applying for funds through the bricks and mortar competition, that amount also needs approval through the community's public hearing. For example, if the City of Eastpointe were to apply for \$150,000 through the bricks and mortar competition, the public hearing notice and approval would need to include the \$23,600 for public services and the \$150,000 bricks and mortar request.**
