Date: May, 1, 2026
Re: Millage Public Hearings

Council,

We need to set the public hearings in June for the general operating millage and the fire special assessment millage.

Historically, the public hearings have been set back-to-back at 6:30 before the June council meeting. The June council meeting will be June 9, 2026 at 7 PM.

We need separate motions for each of the public hearings.

Thank you,

Rachel
