

Good Day,

I have truly enjoyed being apart of this committee. Clearly, due to my recent poor attendance my work schedule/business has not allowed me to attend meetings. I am taking up a valuable spot on the board that another community member could utilize.

Regrettably I feel it would be in the board and community's best interest that I step down from the board.

As a community member and business owner in the community I'm still very committed to the efforts put forth by this committee to improve the shoreline at Shanda Park and possibly access to Heron Point Sanctuary. If there is a way that I or Seven Rivers can help please let me know.

Thank you all for the amazing work you are doing.
