

DETERRA DRUG DEACTIVATION POUCH INFORMATION

YAC (Youth Advocacy Coalition) offers them for free. It's a great way of disposing of unused prescription medications so they don't fall into the wrong hands or pollute the environment.

<https://deterrasystem.com/products/pouches/>

They are currently at the Courthouse and D9 in Cascade, City Hall in Donnelly, Albertsons and the Community Center in McCall.

This would be a great opportunity for New Meadows City Hall.
