BROWN'S MOUNTAIN RECYCLING
MONTHLY PROGRESS REPORT

For the month of July

This report must be submitted to New Meadows City Hall on the Wednesday prior to the 4th Monday of the month following the report month. A representative of Brown's Recycling must attend the City Council meeting on the 4th Monday of the month to answer questions regarding this report.

If no action has been taken in the month on a condition, please note why no action has been taken. Failure to submit a completed report in a timely manner will result in revocation of the CUP to be considered at the next City Council meeting.

CONDITION # 1 - 7 foot sight obscuring fence with two runs of barbed wire constructed out of metal posts set 3 feet deep in concrete surrounding all four sides of the property.

DUE DATE: October 31, 2024

What work has been done on this part of the project this month?
Please provide pictures of progress.

Rented skidsteer, auger, drill bit, and trailer
from Tates Rents. Got D7 Bulldozer running.
Removing existing East and South fences
for post hole drilling on Friday thru
Sunday's Tates Rents rental of equipment
Purchased a pallet of ready mix concrete
Percentage Complete 30%

CONDITION # 2 – Full length of South End Rd frontage planted with lilac bushes and 6 foot ornamental grass with large boulders and ground cover to the edge of the ditch to create appealing landscaping.

DUE DATE: August 31, 2024

What work has been done on this part of the project this month?
Please provide pictures of progress.

No new progress. Looking for boulders for landscape

Percentage Complete 75%

CONDITION # 3 – All tires removed from the property.

DUE DATE: August 31, 2024

What work has been done on this part of the project this month?
Please provide pictures of progress.

No new progress on tires. Going to buy a large dump bed trailer for transport.

Percentage Complete 30%

CONDITION # 4 – The area within at least 300 feet from the east property line and 300 feet from the creek that runs along the southern property line vacated and free from any potential contamination of fluids.

DUE DATE: June 30, 2024

What work has been done on this part of the project this month?
Please provide pictures of progress.

This is already in compliance

Percentage Complete

100%

CONDITION # 5 – Solid Waste compliance approved and documented by DEQ and a DEQ approved Containment plan implemented.

DUE DATE: October 31, 2024

What work has been done on this part of the project this month?
Please provide pictures of progress.

In process of sending DEQ new revisions on our procedure. Hoping for an ~~imp~~ approval letter.

Percentage Complete

95%

CONDITION # 6 – A Design review for the office building on the property approved by the City Council.

DUE DATE: June 30, 2024

What work has been done on this part of the project this month?

Please provide pictures of progress.

This condition is finalized. Brian Grae Harper, the city's new engineer came by the yard to look at the flood plain drainage situation. He told me a 3ft berm along the South gate would be plenty adequate for storm drainage. Will construct upon completion of South fence.

Percentage Complete

100%

CONDITION # 7 – Office building set up on the property and hooked up to City water and sewer services.

DUE DATE: September 30, 2024

What work has been done on this part of the project this month?

Please provide pictures of progress.

Sona Tubes for foundation pilings have been purchased and delivered along with pallet of ready mix concrete. Upon rental of Tates Rents equipment will be drilling six foundation holes for pilings.

Percentage Complete

30%

Customer Consent to proceed with Engineering/Design

Thank you for your request. We are excited to serve as your electric service provider.

I, BROWNS MOUNTAIN RECYCLING ("Applicant") requested for Idaho Power Company ("Idaho Power")
to proceed with engineering for the work request located at: 3632 SOUTH END RD
NEW MEADOWS, ID 83654

Idaho Power's line extension tariff provides:

Engineering Charge. Applicants or Additional Applicants will be required to prepay all engineering costs for Line Installations and/or Alterations greater than 16 estimated hours. Estimates equal to or less than 16 hours will be billed to the Applicant or Additional Applicant as part of the construction costs, or after the engineering is completed in instances where construction is not requested.

I understand I am responsible for an engineering charge of \$93.00 per hour in Idaho or \$94.00 per hour in Oregon. I agree to pay the engineering charge, whether the work requested is built or not. I understand the engineering charge is non-refundable and subject to Idaho Power collection activity if unpaid.

Additional fees may include, but are not limited to, the following: right of ways, permitting, research related to the design and design changes requested by the Applicant and billed as a part of the construction costs.

The engineering hourly rate will update annually and is assessed beginning on the Idaho or Oregon Public Utility Commission's approved date.
