Conditional Use Permit

Please explain the measures that will take place so that heavy traffic generated by the proposed use will not adversely affect the general traffic patterns of the area.

What measures are going to take place to assure that the building location will not create a pedestrian traffic hazard by causing approaches to sidewalks?

Please explain how the building design is compatible with, or complimentary to, already established adjacent structures.

If the development is adjacent to a residential zone or use, please explain how the building location, lighting, parking, or traffic circulation will not adversely affect the adjacent residential uses.

Please explain how the signage will be complementary to the development and overall aesthetic nature of the immediate area.

Please explain which proposed toxic materials and pollutants would be used in the proposed use and how such materials and pollutants will be handled, stored, and disposed of.

Please explain what measures will take place to avoid adverse effects on the adjacent residential, commercial, and manufacturing uses.

Residential Conditional Use Permit

What traffic will be generated by this proposed use?

Please explain how the proposed development / use will not overload the carrying capacity for which local streets were designed.

What measures are you taking to assure that the internal traffic circulation will not adversely affect the adjacent residential property?

How is the proposed structure and parking facilities complimentary to the aesthetics of the general area?

Please explain how the proposed sign(s) will not adversely affect the development itself or the overall aesthetics of the immediate area?

Please explain how the proposed landscaping will be sufficient to enhance the aesthetics of the development and area.

Special Exception

Explain how literal enforcement of the Zoning Ordinance would cause an unreasonable hardship for the applicant that is not necessary to carry out the general purpose of the City Ordinance. (The hardship cannot be self-imposed or an economic hardship.)

Explain what is unique to, or the special circumstances attached to the property that does not generally apply to other properties in the city.

Explain how the granting of the special exception is essential to the enjoyment of a substantial property right possessed by other property in the same district.

Explain how the special exception will not substantially affect the general plan and will not be contrary to the public interest.

Explain how the spirit of the Zoning Ordinance is observed and substantial justice is done.

Zoning Ordinance Amendment

STATE THE PHYSICAL DESCRIPTION OF THE AREA PROPOSED TO BE REZONED:

STATE THE LEGAL DESCRIPTION OF AREA PROPOSED TO BE REZONED:
