Thank you for hosting an Alaska Statewide Historic Preservation *Plan Meeting in a Box*. While the Alaska State Historic Preservation Office leads the statewide plan update effort, the process depends on your input.

Your input today will help identify issues about historic preservation that need to be addressed within the updated plan. Moreover, your voice will inform the Statewide vision for the future of preservation in Alaska—along with goals and objectives—so that preservation challenges can be met and overcome at the community and state level.

We encourage you to stay involved in the planning process by visiting <https://dnr.alaska.gov/parks/oha/planning/savingourpast.htm> and comment on drafts.

Sincerely,

The Alaska Statewide Historic Preservation Planning Team
& The Alaska State Historic Preservation Office
