THEREFORE, BE IT ORDAINED by the Nome City Council as follows:

Section 1. Classification: This is a Code ordinance.

 - i. Have received all building and land use permits necessary to construct Economic Development

Property; and

ii. Submit a qualifying application to the assessor or the assessor's designee prior to beginning work to construct a new building or renovate an existing building.

b. Exclusions. Restoration, or construction of temporary or seasonal use structures does not create eligibility for this tax exemption.

c. Duration of exemption. The tax exemption granted by this subsection shall be for fifteen years.

d. Amount of exemption. An exemption under this section only exempts that portion of the amount of real property tax that exceeds the amount levied on other real property for the City's required local contribution to the Nome Public School District under AS 14.17.410 (b)(2).

e. Taxes due if exemption expires or is revoked. An exemption granted under this subsection shall expire and taxes previously exempted shall become due and payable if:

i. By the third December 31 following application approval, a certificate of occupancy or conditional certificate of occupancy under section 5.10.060 of this code, has not been issued for a restored or new building on the real property, constructed in accordance with all applicable building and land use permits and consisting of at least six residential dwelling units; or

g. Appeal of revocation or expiration. Section 17.20.050 applies to determinations an exemption has expired and to determinations revoking an exemption.

h. Definitions. For purposes of this exemption “Economic Development Property” means real or personal property, including developed property conveyed under 43 U.S.C. 1601 et seq. (Alaska Native Claims Settlement Act), for which a building permit has been issued for construction of one or more multi-unit residential structures containing a total of at least six dwelling units which demonstrates that the total cost to complete the project will exceed the current assessed value of the property by at least fifty percent (50%).
