Dear Nome Planning Commission:

The enclosed plans are submitted for your review and comment, and for determination of compliance with local planning and zoning ordinances. Under AS 35.30.020, the Department of Transportation and Public Facilities (DOT&PF) must comply with local planning and zoning ordinances and other regulations in the same manner and to the same extent as other landowners. If you believe DOT&PF's construction of this project would result in a violation of planning, zoning, or other regulations generally applicable to landowners, please identify the portions of the project that would be in violation, and the specific planning, zoning, or other regulations that you believe would be violated.

Pursuant to AS 35.30.010, you have 90 days from delivery of the plans to provide comments on the project and to notify DOT&PF whether the project violates any planning, zoning, or other regulations. If comments are not received within this time frame, DOT&PF is authorized to proceed with the project.

Thank you for attention to this matter

Sincerely,

Christopher Johnston, P.E.
Engineering Manager
