Caution! This message was sent from outside your organization.

Mr. Hammond,

This is a follow up to our conversation earlier today regarding an outstanding balance on our personal sales tax.

I paid the Full amount in July for the 2020 tax year. I received a bill dated 11/19/2020 with a balance of \$11.61. I mailed copies of the check to the City of Nome.

Today in trying to find out why we have a remaining balance you indicated that there had been problems with your billing system and that this may be from 2018 or 2019 and it wasn't included in the July statement?

I am requesting an itemized bill indicating when the balance was originally due and that any interest be removed since I have not been billed for the \$10.68.

Thank you,
Karla
