The radio system is in dire need of replacement. Much work has been done and submitted to the city manager's office to replace a failing system. There has been no progress yet made on the radio project. Need to go forward. Still having multiple failures in communicating.

City Manager stated it was to go to bid at last public safety commission meeting, still awaiting. City Manager said was going to bring in a consultant, and still have not seen a resolution regarding the consultant and the process.

## **ACCREDITATION**

Power DMS on-boarding was completed June 2022.

A complete overhaul of policy updates and revisions are underway. Around 40 chapters have been amended or added and going through the approval process for implementation.

Starting steps in the Nome 911 Center for accreditation as well. Worked with Public Works to ensure back up generator is to specifications and is being tested monthly as well as back up systems in the Public Safety Building.

Camera expansion system and door access readers has been approved and in the planning and ordering phase.

Other in-house checks are being conducted weekly to ensure compliance.

Multiple required annual trainings have been conducted and uploaded to Power DMS such as Anti-Harassment, PPE, Anti-Bias, and other trainings.

Digital evidence is being moved into Evidence.com, a secured cloud based storage system. Kotzebue PD also uploads their evidence and transfers to the District Attorney's Office and other agencies using this system. The District Attorney's Office's has greatly appreciated the transition into the new system.

Steady progress is being made.
