

January 3, 2025

Dear Planning Commission and Residents of Nome,

A friendly reminder that the City of Nome participates in the Community Rating Systems. For anyone interested on inquiring, we have Flood Plain Maps, Flood Insurance, Flood Building, and Flood Protection information at City Hall.

If needed our Building Inspector can also visit your site and advise on necessary steps to keep your building safe.

We are here to assist our community to build safely so we can live safely.

Thank you.

Angie Nguyen
Flood Plain Coordinator
