We are writing this attached letter to represent the above listed six(6) properties.

We believe that these property values are extremely over valued and request that they be corrected to previous years value.

In 2022 our combined assessed property values were \$3,102,800 and now in 2023 with NO improvements made to any property other than gutting a livable unit they are now \$3,768,800. Our assessed value percentages ranged from 14% to 340% increase.

That is an average of a 20% increase.

In fact the unit that increased in assessed value by 340% was livable 3 bedroom home with heat/water/sewer/electricity, now it is gutted unlivable structure that has no heat, no sewer, no water, no electricity. It went from \$78,100 (livable) to \$266,200 (unlivable). Over 3Xs!!

There is no reason for these outrages over valuations other than to increase values for the purpose of over taxation. This can be proven as nearly all properties within Nome city limits were raised with No improvements being made.

We would never be able to Sell these properties in a normal Nome market for anywhere close to these numbers and should be taxed at a valuation below market.

We are not accepting these valuations as they have no merit. We are requesting a review of these assessed values and a correction in value to match closely with 2022 assessment(which are also outrageous).

We plan to bring these findings to the Nome City Council and the Board of Equalization if necessary.

There are also enough citizens that are outraged by this matter, that a law suit may be in order. Who represents those citizens of Nome who don't understand the appeals process or who can't file an appeal timely(30 days). I guess that's tough luck for them and good for the city. It seems unfair that a value can be determined by the assessor and were stuck with it unless we can prevail and prove otherwise by this process.

We thank you for your time and consideration in these matters and look forward to hearing back from you, hopefully with results that favor the tax payers of Nome.

Sincerely

Assessor's Decision	From:	Land: 48,400	Building: 989,000	Total: 1,037,400
	To:	48,400	989,000	1,037,400

Assessor's Reason for Decision: Recommended no change to land value as it is consistent with the community. Recommended no change to building value - property owner did not provide any supporting information/documents that would support unequal, excessive or improper valuation.
