This is notice of the City of Nome's intent to award a contract. The figures shown here are a tabulation of the offerors received. The responsible and responsive offerors whose proposal was determined in writing to be the most advantageous are indicated. An offeror who wishes to protest this Notice of Intent must file the protest within ten calendar days following the date this notice is issued. If the tenth day follows on a weekend or a holiday, the last day of the protest period is the first working day following the tenth day. Offerors are advised that this Notice of Intent to Award a Contract may be the only Notice of Intent to Award a Contract that is issued, even if there are revisions as to an apparent award resulting from a protest or resulting from other changes that result in new apparent winning offeror. As such, this Notice of Intent to Award a Contract may be the only opportunity for an offeror to file a protest.

The offerors identified here as submitting the most advantageous proposal are instructed not to proceed until a contract, or other form of notice is given by the Contracting Officer. A company or person who proceeds prior to receiving a contract, Contract Award, or other form of notice of Award does so without a contract and at their own risk.
